RE: Sponsorship Invitation – Mt. San Jacinto Gala

Dear Friend of MSJC:

On February 11, 2012 Mt. San Jacinto College and the Mt. San Jacinto College Foundation will host our 4<sup>th</sup> Annual Gala "An Evening With Our Stars" at the Pechanga Resort in Temecula. This year's theme, *Beyond Imagination, A Celebration of the Visual Arts* will feature the art work of many talented MSJC students spanning the discipline from digital photography to sculpture.

This event was organized by the Foundation to assist the college in raising funds to support student scholarships, faculty mini-grants and numerous other endeavors that promote student success. Your generous donations are not only tax deductible but have a high rate of return and a dramatic impact on our community. You might even consider it "green" in that it will help sustain access to a quality education that delivers the educated workforce businesses need and creates transfer pathways to four year schools that will benefit our communities, state and country for generations to come. Simply put, we need your help to keep changing lives and improving our communities!

We are very excited that for the third straight year Mt. San Jacinto College has received the Press Enterprise's "2011 Readers' Choice – Best College or School" award. We are accomplishing our mission to offer accessible, innovative, comprehensive and quality educational programs and services to diverse, dynamic, and growing communities both within and beyond traditional geographic boundaries. But, we are only as successful as the partners who continue to assist and strengthen our mission for student success. Again, we need your help!

Therefore we are coming to you, our colleagues, business partners and friends asking for you to champion the MSJC Foundation and take this opportunity to support the outstanding students and dynamic programs at Mt. San Jacinto College.

On behalf of our student population and all those who will come after, thank you in advance for your consideration and interest in Mt. San Jacinto College.

Sincerely,

Vicki Carpenter  
President  
MSJC Foundation

Roger W. Schultz, Ph.D.
