MATHCOUNTS®

Riverside/San Bernardino Chapter

Sponsorship Brochure—2011-2012

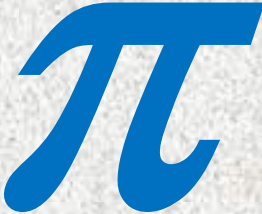

School of Engineering

What Is MATHCOUNTS?

MATHCOUNTS is a national enrichment, club and competition program that promotes middle school mathematics achievement through grassroots involvement in every U.S. state and territory. Participants advance through School, Chapter and State Competitions until the final 228 students (Mathletes) are selected from fifty-seven states and territories to advance to the MATHCOUNTS National Competition held each May.

MATHCOUNTS In Riverside/San Bernardino

For the last three years, California Baptist University’s School of Engineering has hosted the Riverside/San Bernardino Chapter Competition. The School of Engineering offers \$10,000 (\$2,500/year) scholarship for the top performers who attend CBU’s School of Engineering full time in the future. CBU's School of Engineering students volunteer their time to help the event as Competition proctors and graders. Dr. Ziliang Zhou, Associate Professor of Engineering, is the co-coordinator for the chapter competition. Dr. Zhou is also a board member of the California

Society of Professional Engineers Education Foundation (CSPEEF), which sponsors twenty-five local competitions and two California State championships for MATHCOUNTS.

Why Sponsor MATHCOUNTS?

By providing sponsorship to the Riverside/San Bernardino Chapter Competition, you are contributing to an invaluable program that provides today’s students with the foundation for success in science, technology, engineering and mathematics careers. Your Donations also help to encourage students to seek education and employment locally. It is an excellent opportunity to become affiliated with a highly successful program for middle school students.
