

Free Non-Credit Class

Introduction to Child Development

Mt. San Jacinto College Adult Education is offering a
New Free Non-Credit class!

Introduction to Child Development

Introduction to Child Development will teach entry level skills in working with children, appropriate lessons and activities, ensuring children's safety. The course will focus on understanding and addressing challenging behaviors in children.

This course will explore a career in early Child Development care and education. This non-credit class will prepare students to enter into MSJC Child Development and Education certificate or degree programs.

Introduction to Child Development
