   None

IV. Reports
   The Diversity committee spent $17,141.64 during the 16-17 year. There was a balance of $8,858.36 that was unspent and will rollover into the 17-18 budget. We were allocated $26,000 through EEO funding and our 17-18 budget is $34,858.36.

V. Old Business
   John Knuth gave a brief presentation on the Visualizing Social Change event which is scheduled for November 6-8. The event was approved for $4,500 at the March 2, 2017. Event coordinators requested an augmentation and the event budget was increased to $5,500.00 (Millie motioned/Fred Second). Millie will assist with the catering and planning for the reception.

   The EZ up and storage bin business has been tabled for our October 5, 2017 meeting. Pam Wright was not in attendance, but requested the committee approve endorsement and assistance with the event. Student Equity will pay the $7,500 for guest speaker Robin
D’Angelo. (Mille motioned/Holly second). We will need to determine an event date at the October 5, 2017 meeting.

VI. New Business

Willie Hamilton moved to serve as Chair of the Diversity committee since we have not been able to identify a co-chair, the committee unanimously approved. Eileen Doktorski will be assigned to serve as co-chair in Willie’s absence.

Willie presented a draft to the committee which identified the responsibility and expectations of committee members. After much dialogue, the committee determined that placing requirements on new members was unfair. While the idea is every member should plan, host, help, attend and advertise the events, not everyone can commit to each and every event. While some members may not be in the front line, they can be behind the scenes assisting in ways that cannot be seen. We will begin reporting out at the end of the year which committee member served and in what capacity. As we approve events under the action item, committee members can ask to serve or assist with events that meet their availability. It was the consensus of each member that participation is needed and that everyone intends to be involved.

Valerie Reed presented her recommendation for guest speaker Kimberly Dark. This event will be planned for the end of October or early November by having a performance at both the SJC/MVC campus. An approximate costs for this event is $4,000, the expense details have not been finalized with Kimberly’s agent. This request will be listed as an action item for our October 5, 2017 meeting. If the event is approved, assistance will be needed for the San Jacinto campus event.
