Message from the Superintendent / President

I recently attended a business leaders’ meeting where the facilitator asked how many in the group attended Mt. San Jacinto College. Nearly every hand shot up. Others shouted out their connection to the college: their child, spouse, grandparent, teacher or community leader attended MSJC. The room buzzed with excitement.

It was a proud moment for me and one that I witness or hear coming from every corner of MSJC’s 1,700-square-mile district. With MSJC’s five decades of education, nearly everyone knows someone who attended MSJC.

There’s a reason why all of these people are eager to talk about MSJC. The education provided by the college transformed their lives, the lives of their children, their friends and their relatives. It provided a path and the tools to a better future.

So, it gives me an extra dose of satisfaction to share the good news in this annual report. MSJC earned many achievements during the 2013-2014 academic year. Our students earned prestigious scholarships. The college garnered national, state and local recognition and awards. MSJC was innovative, fostered partnerships and blazed the trail as leaders.

Did you know that MSJC opened a second Veterans Resource Center? Did you know that MSJC received national recognition for providing exceptional service to our military veterans? Did you know that MSJC was listed among the Top 15 percent in the nation to be recognized with the Aspen Prize for Community College Excellence?

MSJC students are stand-outs, too. Once again, three MSJC students earned the prestigious Jack Kent Cooke Scholarship. MSJC is only one of two colleges in the nation that can lay claim to having three students earn the award two years in a row. From academics to athletics, this annual report will share the students’ accomplishments and success stories.

It takes an exceptional faculty to instruct, facilitate, promote and support student achievement. Several accomplishments and honors the MSJC faculty earned during the 2013-14 year are in this report. Remember, these are just a few of the distinctions achieved by this dedicated group.

You will read about the fun and important events that support our students, faculty and programs. Yes, we host a Jazz and Wine Festival. Yes, we host an elegant Gala scholarship fundraiser. Yes, we have a Motorcycle Run. Yes, we stomp our feet and chant to cheer the Eagles on at MSJC men’s and women’s athletic events. Yes, we participate in and support community events across our district. There is just about something for everyone at MSJC and we encourage everyone to get involved.

Our mission to provide accessible, innovative comprehensive and quality education is what we do best! MSJC continues to forge partnerships so it can provide innovative programs that will help students transfer to four-year institutions and secure jobs. In 2014, MSJC, Cal State San Marcos and the city of Temecula settled on agreements that paved the way for the opening of the Temecula Higher Education Center. MSJC and CSUSM have created a program to offer students a bachelor’s degree in Business Administration in just four years. The MSJC Board of Trustees also approved the purchase of 80-acres in Wildomar and identified it as a future site for STEM (science, technology, engineering, math) programs.

MSJC offered a robust summer session and more classes in the fall than in previous years. In fall 2014 the college offered 1,389 sections, up by 47 over fall 2013. We’ve opened more than 44,000 seats with 9 out of 10 of those seats filled. Nearly 10,000 students were on a waiting list, but about half of them are now in classrooms. We remain committed to serving 500 students over the state funding cap. We do not get reimbursed by the state for funding those extra students but the MSJC Board and district leaders know this region wants and needs higher education.

The MSJC Board of Trustees adopted a $61.8 million General Fund budget in September for the 2014-15 academic year. The unrestricted General Fund pays for operations, materials, supplies, salaries and benefits as well as the miscellaneous costs of doing business throughout the year. The District’s total $122 million budget not only includes those items covered in the General Fund but also restricted funds that can only be designated for specific use and areas.

Please take time to review just some of the highlights from MSJC’s facilities plans in the back of this report. MSJC does not currently have the funding to implement these plans, but you will see plans to expand programs and facilities throughout the entire 1,700-square-mile district from Banning/ Beaumont to Temecula/Murrieta and sites in between. If funding is available to implement these plans, it will help MSJC secure higher education in the region for generations to come.

MSJC has been educating our families for 50 years. I am confident that 50 years from today the MSJC Superintendent/President will attend a meeting and beam with pride when others share their connections to MSJC. Who knows? It just may be your child or great-grandchild sharing that story.
Message from the Foundation President

The Mt. San Jacinto College Foundation continues to show renewed energy and improved efforts to support the College. For the coming year there are opportunities to participate in social activities that are intended to expand backing for the College, its students, faculty and staff.

Recently the Foundation held a very successful event at Baily’s in Old Town Temecula for President’s Club and Legacy Society members. Thirty-eight individuals joined President Schultz for a relaxed, informal opportunity to mingle and enjoy excellent food and beverages. Dr. Schultz was able to share some of the significant awards and achievements that the college and students have received. All agreed that this event will serve as a blueprint for additional informal gatherings for Foundation members.

One of the major focuses of the Foundation is to provide student scholarships. Two scholarship events take place each year, one in the Fall, the other in the Spring. At the Fall 2013 Scholarship Luncheon 72 students received $64,307 in scholarship awards. At the Spring 2014 Scholarship Breakfast 116 students received $69,094 in scholarship awards. The MSJC Foundation was able to award a total of $320,433.53 in 2013/2014 thanks to generous donors who give directly to the MSJC Foundation and outside donors, like the Jack Kent Cooke Foundation.

With the commitment of private donors and Foundation investments the amount of scholarship awards continues to grow.

The Fall 2014 scholarship luncheon will be held on Thursday, Nov. 20th and the Spring 2015 and Fall 2015 Scholarship events will be held on Thursday, May 21 and Thursday, Nov. 19th. The Foundation is also able to support College Staff and Faculty with grant awards to support activities that improve performance that otherwise cannot be funded through regular College funds.

The upcoming Foundation events are the very popular Sunset Jazz & Wine Fest scheduled for Friday, October 10, 2014 at the Menifee Valley Campus. This will be an evening to honor our Veterans. The 2015 Sunset Jazz & Wine Fest will be held on Friday, October 9th. The Foundation’s 7th annual Gala event will again be held at Pechanga Resort and Casino on Saturday, February 7, 2015 and will highlight student clubs and athletics at MSJC. We are excited to announce our headline entertainer for the 7th annual Gala: Virgil Gibson, former Lead Singer of the world famous Platters!

I look forward to your continued involvement and support.

MT. SAN JACINTO COLLEGE AND FOUNDATION
Lady Eagles Win Second Straight Conference Title

Above - Cora Lopez prepares to take a shot with teammate Bree Madory looking on.

MSJC WOMEN’S BASKETBALL

The Lady Eagles won the Pacific Coast Athletic Conference Championship during the 2013-14 season led by PCAC Player of the Year Cora Lopez. The Lady Eagles advanced to the Southern California Regional Tournament for the 8th straight year and have won over 20 games in each of those seasons.

MSJC WOMEN’S BASKETBALL TRIO SIGN SCHOLARSHIPS

MSJC women’s basketball players Cora Lopez (Hemet High graduate), Sarai Ware (Hemet West Valley High graduate), and Bree Madory (Riverside Notre Dame graduate) signed scholarships with Northern New Mexico College, an NAIA Division I school located in Espanola, New Mexico. Ware and Lopez tied with 2013 Lady Eagle grads Tina and Faith Fantroy as the winningest players in school history.

**MSJC FOUNDATION GALA**

The Foundation’s 6th annual Gala at the Pechanga Resort & Casino in Temecula was a sold-out event. With the theme “MSJC: The Heart & Soul of Our Communities,” the event featured students and staff from the college’s health programs, including nursing, fire technology, emergency medical technician.

About 350 guests joined the Foundation in awarding five individuals with the annual Alumni & Friends Association Awards for their support and work to make a difference at MSJC and in the lives of our students and the community:

**Outstanding Community Members of the Year:**
Andrew and Gloria Masiel

**Outstanding Alumni and Friend of the Year:**
Catherine “Kit” Longe Stewart

**Outstanding Staff Member of the Year:**
Pat James

**Outstanding Faculty Member of the Year:**
Dr. Christina Yamanaka

Eagles Reach State Final Eight

MEN’S BASKETBALL
The MSJC men’s basketball team captured the Pacific Coast Athletic Conference North Division Championship and made it all the way to the state Final Eight before losing to San Bernardino Valley. The Eagles had a record of 25-5 on the year.

Dwayne Benjamin was named First Team All State and PCAC Player of the Year in 2014.

Dajuan Smith was named First Team All Conference in 2014 helping him to earn a scholarship to UC Santa Barbara.

Students Silvia Sanchez of Lake Elsinore (left) and Sayed Thurab of Murrieta (right) were chosen by Hubble Scope Team Members from UC Riverside in March 2014 to help work on NASA’s Hubble Scope Project. Working with a program called Python, they will analyze and summarize data to describe galaxies. The project results will be summarized and published in The Astronomic Journal in 2015. A grant from NASA is helping fund the project that involves students pursuing studies in S.T.E.M. (science, technology, engineering & math).

The Aspen Institute College Excellence Program named Mt. San Jacinto College as one of the nation’s top 150 community colleges. MSJC joins the ranks with the nation’s largest community college, Miami Dade in Florida, in receiving this prestigious honor and was chosen from more than 1,000 community colleges.

Right - MSJC Physics and Astronomy instructor Paul Ney, physical sciences co-chair on the Menifee Valley Campus, presented two papers at the 55th Annual Meeting of the American Physical Society (APS) Division of Plasma Physics in 2013.

Dr. Nick Reeves, biology instructor on the Menifee Valley Campus and a Phi Theta Kappa advisor, received the 2014 Distinguished Advisor Award from the Phi Theta Kappa Honor Society.
A handful of the MSJC Registered Nurses line up for graduation. From left: Kathryn Hall, Hemet; Emmanuel Vista, Riverside; Leslie Fairbairn, Menifee; Tami Sue Bacon, Christy Garcia, Murrieta; Kevin Ros, Hemet; and Laurie Stokes, Murrieta. (DeeAnn Bradley/MSJC)

Dwayne Benjamin (left) and Dajaun Smith (right) were members of the MSJC men’s basketball team.

Mt. San Jacinto College Trustee Gwendolyn Schlange receives a standing ovation at the May 30, 2014 graduation after Superintendent/President Roger Schultz thanks her for her 20-plus years of service on the MSJC board. Mrs. Schlange did not seek reelection in November 2014. Mrs. Schlange spent some 40 years teaching, primarily at Little Lake Elementary School in Hemet. She retired in 1995.

MSJC and the city of Temecula reached an agreement that allows MSJC to lease the second floor of the former city hall for $1 a year. The Temecula Higher Education Center, THE Center, allows MSJC to serve more students in the Southwest region and allows the college to partner with emerging businesses, the city and Cal State San Marcos - Temecula. MSJC and CSUSM - Temecula are the first in the state to form a joint program that helps students earn Associate & Bachelor degrees in Business. The Business Degree program guarantees classes, saves tuition and allows them to earn complete the program in a cohort setting in four years.

MSJC dance student Daniel Miramontes, of Lake Elsinore, was awarded a full-tuition scholarship to the 2014 American Dance Festival (ADF) at Duke University.

Below - MSJC’s Jennifer Burleson received the Honoring Your Own Award in 2014 during the California Community Colleges Athletics Association convention in Los Angeles. Dr. Burleson was the one Athletic Counselor being recognized this year in the entire state.

Dr. Roy Mason, Biology Professor, was nominated by the Faculty Association to serve on the California Teaching Advisory Council of The California Council on Science and Technology.

**6-Week Summer Session Begins**

**8-Week Summer Session Begins**

*June 2015*
MSJC nursing student Anthony Fernandez, a former combat medic who currently serves in the Army Reserve, went to the Dominican Republic to provide medical support to those building hospitals. He will serve as the President of South West Association of Nursing Students (SWANS), part of the National Student Nurses Association this Fall as he completes his nursing degree at MSJC.

MSJC alum Christopher Spillman was promoted to Brigadier General with the U.S. Army in 2014. The Spillman sons followed in the footsteps of their father, Alvin Lee Spillman, who graduated from MSJC and served in the U.S. Air Force before he worked in civil service. Brothers Tom and Andrew are also MSJC alums and fulfilled military service. Andrew is now in law enforcement with the Riverside Police Department and Tom is Dean of Student Services at MSJC.

MSJC is proud that it was selected by G.I. Jobs Magazine as a Military Friendly School for 2013. This honor places MSJC in the top 20% of all schools nationwide.

SECOND VETERANS RESOURCE CENTER OPENS
The college celebrated the grand opening of its second Veterans Resource Center on Nov. 7, 2013. The new center on the San Jacinto Campus joined the Veterans Resource Center on the Menifee Valley Campus, which opened in 2012. These centers provide student-veterans with counselors who specialize in GI Bill benefits and other veteran-related services. MSJC is proud to serve its student-veteran population and to be a part of the commitment by the California Community Colleges Chancellor’s Office and President Obama’s “8 Keys to Success” plan to help student-veterans at college. Visit www.msjc.edu/veterans or call 951-487-3248 for information.

College Mission Statement:

*Mt. San Jacinto College*, a California Community College, offers accessible, innovative, comprehensive and quality educational programs and services to diverse, dynamic and growing communities both within and beyond traditional geographic boundaries. We support life-long learning and student success by utilizing proven educational methodologies as determined by collaborative institutional planning and assessment. To meet economic and workforce development needs, MSJC provides students with basic skills, general and career education that lead to transfer, associate degrees and certificates. Our commitment to student learning empowers students with the skills and knowledge needed to effect positive change and enhance the world in which we live.

**Are you an MSJC Graduate?**

Are you an Eagle? If so, become one of The Faces of MSJC. The campaign features faculty and current and former MSJC students and stories about their experiences at MSJC. You can view the campaign online and visit one of our campuses to see the posters in the libraries, enrollment centers and more. Our hope is that success stories like yours will inspire future and current MSJC students to continue to reach for their goals.

Visit The Faces of MSJC at www.msjc.edu/faces, or call 951-487-3061 to find out more.

**Marshall Hawkins**

MSJC Alumnus, Foundation Board Member & legendary jazz artist. Established Jazz Studies Program at the Idyllwild Arts Academy. Co-founder/music director Idyllwild Jazz in the Pines

**Kara & Billy Macrae**

Siblings transferred from MSJC’s Temecula Education Complex to the University of Redlands in 2013.

**Irvin Calderon**

Jack Kent Cooke Scholarship recipient
First-generation college graduate
Transferred to UCLA in 2014
Foundation Mission Statement:

The mission of the Mt. San Jacinto College Foundation is to promote student success by enhancing the quality of higher education throughout the district by identifying and securing private support through community alliances.

MT. SAN JACINTO COMMUNITY COLLEGE FOUNDATION
FISCAL YEAR 2013-2014 UNAUDITED ACTUALS

MSJC Foundation

The Mt. San Jacinto College Foundation distributed a total of $320,433.53 in scholarships during the 2013-14 fiscal year.

Maureen Njuguna
Engineering Major

“I thank you for investing in my future and giving me the opportunity to continue my educational pursuit.”

*Edison International Scholar (STEM)*
*Temecula Valley AAUW*

J. Andrew Macke
Biology Major

“I cannot express how much this scholarship will aid in my future educational plans. With this scholarship I will be able to maintain my current educational path without having to obtain any loans for tuition or books, which means more to me than I can convey.”

*Edison International Scholar (STEM)*
*American Legion Riders Post 848*
*Gene Lombard Memorial Gala Scholarship*

Ivelisse Porroa-Garcia
Political Science Major

“Mt. San Jacinto College has made my educational journey and opportunity to grow as a human being, and this scholarship will allow me to aim higher every day.”

*Heffner Memorial*
*Temecula Valley AAUW*
*Inland Empire Scholarship*
Women’s Soccer players Crystal Torres and Brook Wooldrige both earned scholarships while helping the Lady Eagles to the second play-off appearance in school history. Torres and Wooldrige were two of 41 MSJC student athletes to earn scholarships during the 2013-14 school year.

3 MSJC Students Earn Prestigious National Scholarship...AGAIN

Mt. San Jacinto College students Christopher Blake Leeper, Aaron Hansen and Irvin Calderon all earned the prestigious Jack Kent Cooke Foundation Scholarship in 2014.

This marks the second consecutive year that three MSJC students received the award. MSJC is only the second college in the nation to have three students receive the award in two separate years.

This year’s award-winning trio follows in the footsteps of Amy Bartel, Shayla Esarey and Samuel Fall, honors students at MSJC who received the scholarship in 2013. All three transferred to UC Berkeley.

Leeper, Hansen and Calderon were chosen from a pool of 3,700 applicants. Only 85 students across the nation received the scholarship. All three MSJC students are first-generation college students. They will each receive up to $30,000 a year for up to three years to earn a bachelor’s degree. The scholarship is intended to cover a significant share of the student’s educational expenses, including tuition, living expenses and books.

Left - Men’s tennis player Vitor Galvao was named the Pacific Coast Athletic Conference Player of the Year. Galvao made it to the conference finals in singles and teamed with Bruno Campos to win the PCAC doubles title.
The college hosts a variety of activities throughout the year. The annual Scholarship Motorcycle Run travels through scenic areas of the district to raise money for student scholarships.

Lower right, MSJC student Angela Mange (pictured with MSJC Superintendent/President Dr. Schultz) received a scholarship in 2013-14 from funds raised during the motorcycle run.

Upper right, MSJC was proud to host California Community Colleges Chancellor Brice Harris at Mt. San Jacinto College’s San Gorgonio Pass Campus.

Lower left, MSJC’s Homecoming BBQ and game is always a big hit. In fact, in 2013 Ryan Mathews of the San Diego Chargers attended the game.

Center bottom, Student clubs and the Student Government Association host a variety of events, like back-to-school BBQs and the weekly College Hour to build Campus Life and create a great college spirit.

- Holiday—College Closed
The MSJC Foundation hosted its annual Sunset Jazz & Wine Fest on Oct. 25, 2013. This special evening celebrated the college’s 50th Anniversary and benefited the Foundation’s work to provide student scholarships, mini grants and other philanthropic endeavors. Guests were treated to a performance by the Menifee Jazz Ensemble while they enjoyed a sampling of wine, beer and hearty appetizers. They also enjoyed a variety of art from MSJC students and the community.
David T. Pese of Perris, seen here with his mother-in-law, pitched Deeya Cuisine, a unique Thai-Indian-Polynesian fusion cuisine. He earned first place and $5,000 from the SOCO Institute during the MSJC Business Department’s “The Competition” to start his business.

The Foundation awarded nearly $64,307 to 72 students during its annual State of the College Luncheon & Fall Scholarships in November. The event was held at the Menifee Valley Campus.

During the Foundation’s annual Student Scholarship Awards Breakfast in May, 116 MSJC students received scholarships totaling $69,094.

MSJC student David Pese earned a $5,000 award from the SOCO Institute for the restaurant business plan he pitched during a competition organized by SOCO and the MSJC business department. This was the first “Shark Tank” style event organized by the MSJC Business Department to help student entrepreneurs get real-world experience in business plan writing and presentation.

Since 1983, the Foundation has awarded more than $2.6 million in scholarships and book loans. Generous donors like you help the Foundation provide scholarships to our students. You can provide support through the President’s Club, the Alumni & Friends Association, the Legacy Society, and the Scholarship program.

For a sixth consecutive year, Mt. San Jacinto College is proud that it received first place in The Press-Enterprise’s 2014 Readers Choice Awards in the Best College category. MSJC thanks all of those who voted us the Number One college in the two-county region.

MSJC has received the distinction of #1 in the Best College or School category consistently since 2009.

MSJC staff, students, faculty members and administrators actively support their communities as volunteers through a variety of charitable events.

During the 2013-14 academic year, MSJC was represented at or organized events like the Komen Race for the Cure, Relay for Life, Lifestream blood drives, holiday toy drives, Goodwill fundraisers, Habitat for Humanity, United Way events, Our Nicholas Foundation’s Walk in the Vines.

The MSJC Foundation provided support for seven Mt. San Jacinto College students to present their research on the Drosophila, better known as the fruit fly, during the 55th Annual Drosophila Research Conference in San Diego.

The MSJC Foundation supported the Puente programs Northern California universities Tour: 28 students and 2 faculty members toured 6 universities including UC Berkeley, Santa Barbara and Davis.

The Future of MSJC:

Mt. San Jacinto College currently serves nearly 20,000 students a year district-wide. As the communities in the district continue to grow, so will the needs for higher education in the region. This will require new facilities and upgrades to existing locations. MSJC’s Facilities Master Plan will guide the district so it can meet those future needs. The Facilities Master Plan is based on the Educational Master Plan and considers the future educational needs of students, state funding cycles and incorporates sustainability to preserve the environment and provide for the efficient use of available resources.

The Facilities Master Plan, which received a statewide architectural award, projects the needs to accommodate student population growth by the year 2050. It is a “live” document that can change in response to new trends or circumstances. The plan can be found at www.msjc.edu/facilities

The accompanying artistic renderings show some of the buildings planned for each of MSJC’s main locations.
As MSJC’s oldest site, the San Jacinto Campus is slated for improvements as funding becomes available. Projects include a new Performing and Cultural Arts Center with classrooms and Science & Technology Building.

San Jacinto Campus:
Currently serves: 5,000
By 2020 to serve: 10,600
The Future of MSJC:

As funding becomes available, the MSJC Master Plan calls for new Allied Health and Math & Science buildings on the Menifee Valley Campus.

Menifee Valley Campus: Currently serves: 8,000 By 2020 to serve: 13,000

Nursing and Allied Health Building

Math & Science Building
In 2014, the MSJC Board approved the purchase of 80 acres in Wildomar. It has been identified in the future for STEM (science, technology, engineering, math) programs. MSJC leases two sites in Temecula and partners with the city of Temecula and Cal State San Marcos to provide higher education to the region. As funding becomes available, the college plans for construction of a permanent facility to meet the needs of the communities in the Southwest Corridor.

Southwest Corridor:
Currently serves: 2,000
By 2020 to serve: 8,900
Thank you to the following generous donors who contributed from July 1, 2013 to June 30, 2014 to support the College’s programs, facilities & students. (Donors listed by amount given during this period).
