2014 - 2015 Annual Report • 2015 - 2016 Calendar
There was no bigger news for Mt. San Jacinto College in the 2014-2015 fiscal year than the passage of Measure AA. The $295 million facilities bond will provide our 1,700-square-mile district with the funding to grow. From the San Gorgonio Pass in the north to Temecula in the south, the bond will allow MSJC to support students, meet the region’s need for higher education and provide workforce training. Environmental studies needed to begin the expansion are underway. Work has started on internal improvements that include installing energy efficient heating and cooling. The present and future students, faculty, staff and administrators will be grateful for the foresight of those who supported this effort. Thank you.

Other news throughout the District for 2014-2015 included the grand opening of MSJC’s second location in Temecula - the Temecula Higher Education Center. Working with our partners, Cal State University San Marcos and the City of Temecula, we created a unique 2-plus-2 program that allows students to earn a bachelor’s degree in business in four years at the Temecula Higher Education Center.

The MSJC Board of Trustees approved a contract with the Riverside County Sheriff’s Department to provide police services for the college. This contract provides MSJC with more officers and a larger staff of campus safety officers to ensure a safe educational environment.

In 2014-2015, students, faculty and the college continued what is now a tradition at MSJC by earning a number of prestigious awards and scholarships. This annual report will introduce you to our Jack Kent Cooke Undergraduate Scholarship recipient, two Gates Millennial Scholarship recipients and athletes that received scholarships to four-year universities. The students’ success is led and inspired by the excellent MSJC faculty who received accolades, published books and dedicate themselves to the students and higher education. For the sixth consecutive year MSJC was awarded The Press-Enterprise Readers’ Choice Award for best college or school. Spoiler Alert: Next year’s annual report will tell you about our 7th annual #1 win.

The MSJC Foundation continues to increase its support for the college with fundraising events throughout the year. The annual Gala, the Foundation’s signature scholarship fundraiser, raised more than $87,000 to provide scholarships for students and mini-grants for faculty and staff to promote student success. The Foundation was able to disburse more than $300,000 in scholarships in 2014-2015.

The MSJC Board of Trustees adopted a $122 million total budget for the 2014-2015 academic year. Funding throughout the state improved, allowing MSJC to offer a robust summer session and provide additional classes students need to earn their associate’s degrees, a career certificate or transfer to a four-year university. In September of 2015, the Board adopted a $212 million budget for the 2015-2016 academic year.

MSJC said goodbye to trustees Gwendolyn Schlange and Eugene Kadow as they stepped down from the board. They represented a combined 40 years of service to the District. The District welcomed new trustees Bill Zimmerman and Dr. Sherrie Guerrero to fill the seats of their predecessors.

The 1,219-member Class of 2015 earned 1,854 associate’s degrees and 150 certificates for a total of 2,004 combined degrees/certificates. The year 2014-2015 will be viewed as a year of transformation for those graduates. It will be viewed as a year of transformation for MSJC with the passage of Measure AA. So it seems only fitting the Board of Trustees approved a new MSJC vision statement in December 2014: Transforming Learners. Transforming Communities. Transforming Lives.

Thank you and have a great year.

2015 Annual Report Message from the Superintendent/President
The 2014-2015 year experienced a renewed interest in and support for the Mt. San Jacinto College Foundation. The Foundation’s fund raising efforts and social events were strongly supported by the communities throughout the district allowing us to increase the number of scholarships awarded in previous years.

One of the more significant decisions the Foundation Board made in 2014-2015 was to partner with the Community Foundation of Riverside and San Bernardino Counties. This organization is an established, successful Foundation that prudently invests member assets in an effort to provide growth funds that can be used to support the various activities to which the MSJC Foundation is committed. As a result, not only has the number of student scholarships grown but the support for the faculty, staff and student organization activities has also increased. Many activities that support instruction and student development cannot be funded by State dollars, therefore it is especially critical that the Foundation is able to step in and help improve the quality of instruction and student involvement.

The participation in the Foundation social events continues to grow. The second gathering of the Presidents Club and Legacy Society was recently held at Baily’s in Old Town Temecula with a 25% increase in participation. Autumn Nights is scheduled to be held at the Menifee Campus on Friday, October 9. Previously branded as the Sunset Jazz and Wine Fest, the Board made the decision to change the event name to Autumn Nights to expand the focus and theme. This has become an annual event that continues to grow in popularity. We expect that it will be bigger and better this year featuring local micro-brews, wine and “Black Hat Patsy,” a band made up of MSJC alumni.

The Foundation’s major social fund raising event, the annual MSJC Gala, sold out with a crowd of over 450 guests in 2014-2015. The date for the 2016 Gala is Saturday, February 6 and we fully anticipate another complete sell out. It would be great to see you at the 2016 Gala to help us break last year’s record and provide even more scholarship and mini-grant funds.

The MSJC Foundation continues to evolve and respond to the ever growing needs of the College. This year the Foundation Board was excited and unanimously voted to provide the initial stipend needed to support the Facilities Bond measure. District funds cannot be used for this purpose, therefore the Foundation played an important supportive role in the successful passage of Measure AA.

The Foundation continues to grow, working to increase the number of members in the Alumni and Friends Association as well as provide information to donors with a commitment to increase the number of participants in the Legacy Society and President’s Club. Additional information regarding these opportunities can be found at www.msjc.edu/foundation.

The Board appreciates your support and it is our sincere hope that you continue to join us as we sustain and renew our commitment to expand and enhance the educational opportunities for the students and programs at MSJC. Thank you!
Five MSJC women’s basketball players earned scholarships to four-year universities: Kenyetta Fugate (Rialto High), DeShea Wilkes (Murrieta Valley High), Erin Stanford and Johnette Brown (both from Twentynine Palms High), and Kathryn Thomas (Perris High). Wilkes, Stanford, and Brown transferred to Adams State University in Colorado and all earned First Team All Pacific Coast Athletic Conference. Kenyetta and Kathryn will attend Presentation College in Aberdeen, South Dakota.

MSJC’s 7th Annual Gala Sets Record

The 7th annual Mt. San Jacinto College Foundation Gala set a record when it attracted 400 guests and raised more than $87,000 for student scholarships, the most in the Gala’s history. Held on Feb. 7, 2015 at the Pechanga Resort & Casino in Temecula, the Gala was a Gatsby-inspired event that highlighted students who represented various clubs, academic programs, athletics and student government. The event featured a special performance by Virgil Gibson of the world-famous Platters.

The Foundation recognized those who have supported the college and its students. The Alumni & Friends Association awards were presented to:
- Special Recognition, Gwendolyn Schlange
- Outstanding Community Member of the Year, Candy Anady

The Mt. San Jacinto College Foundation disbursed $169,242 in scholarships to 113 MSJC students during the annual Student Scholarship Awards Breakfast in May at The Country Club at Soboba Springs.
Voters of MSJC’s 1,700-square-mile district showed tremendous support for the college and higher education when they approved Measure AA on Nov. 4, 2014. The Measure AA campaign was a grassroots effort supported by volunteers, students, faculty, staff, administration, residents and community leaders. The state has identified MSJC as the fastest growing college in California and the college must expand facilities to serve students.

Facts:
• 25-year $295 million facilities bond
• Allows the district to double its classroom space and serve more students
• Expand veterans and student services
• Provide more of the job training and transfer credits students need
• Boost the local economy by training a skilled workforce that will attract businesses and jobs to our region

The nine-member Independent Citizens’ Oversight Committee will review bond expenditures, among other duties. The members are:
• Chairman Robert “Bob” Botts, Member At Large, Banning
• Dennis Anderson, MSJC Support Organization (MSJC Foundation Board), Hemet
• Vice Chair Amy Campbell, Member At Large, Temecula
• Dee Cozart, Business Representative, San Jacinto
• Darryl Drott, Taxpayers Association, Menifee
• Brenda Maya Esparza, Student Representative, San Jacinto
• Judy Guglielmana, Taxpayer Association, Lake Elsinore
• Altie Holcomb, Member At Large, Menifee
• Salvador Valdivia, Senior Citizen’s Representative, Beaumont

Environmental impact studies at current sites are being conducted, existing facilities and classrooms are being upgraded, and heating & cooling systems are being upgraded for better energy efficiency.
