Mr. Roger Schultz  
Superintendent/President  
Mt. San Jacinto College  
1499 North State Street  
San Jacinto, CA 92583

Dear President Schultz:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 11-13, 2011, reviewed the Follow-Up Report submitted by the College and the report of the evaluation team which visited Monday, October 25, 2010. The Commission notes that the College has resolved the Recommendation 2, as identified in the Commission’s action letter of January 29, 2010.

The Commission expects that at the time of the next comprehensive review visit, the College demonstrates the sustainability of its efforts as documented in the Follow-Up Report and verified by the evaluation team. These include: Development of policies, procedures and regular practices that ensure regular assessment of institutional effectiveness, setting priorities for improvement based on analysis of data, incorporation of priorities into governance, decision-making, and resource distribution processes, and development and deployment of a methodology to assess overall institutional effectiveness.

The Follow-Up Report will become part of the accreditation history of the College and should be used in preparing for the next comprehensive evaluation. I have previously sent you a copy of the Evaluation Team Report. Additional copies may now be duplicated. The Commission requires that you give the report and this letter appropriate dissemination to your college staff and to those who were signatories of your college report. This group should include campus leadership and the Board of Trustees. The Commission also requires that all reports be made available to students and the public. Placing copies in the college library can accomplish this. Should you want an electronic copy of the report, please contact Commission staff.

Please note that the next comprehensive evaluation of Mt. San Jacinto College will occur during Fall 2011.
