WHAT IS A LEARNING COMMUNITY?

A learning community provides students a convenient schedule of courses that meet general education (G.E.) and transfer requirements. Learning communities link two or more classes together with a common theme, content, and assignments. Learning communities also help students build stronger relationships with faculty and their peers.

Research shows that participation in a learning community provides several benefits:

- Earn higher GPA’s
- Have lower drop-out rates
- Have greater success in other courses
- Finish college sooner
- Develop lasting connections with students and faculty
- Are more motivated and satisfied with college

STEM READY Learning Community

Are you a STEM READY student? Are you ready to enroll in Math 110 and Chem 101?

Consider this great learning community offered at Menifee Valley College Fall 2013

Students must register for both sections.

CHEM 101 – Section 3004
MW 8:00-9:15am – LEC
MW 9:25-12:15pm – LAB
AND
MATH 110 – Section 3922
MW 1:00-3:20pm
