DARK OF THE MOON
by Howard Richardson & William Berney
An outstanding Broadway and London hit, this musical play is both enchanting and unsettling, as we experience the dramatic tale of moon-crossed lovers. DARK OF THE MOON is “a powerful fantasy in a setting of the Smoky Mountains. It achieves that rare combination of being spectacular and at the same time intimate and intense. Its ‘hillbilly’ dialect has the strangely moving poetic quality of a folk ballad.” —Players Magazine

Menifee Dance Company, On Tour
presents “Never Alone”
This spring, the Menifee Dance Company creates original site-specific works and throughout our communities. From on-campus performances, to public sites in Menifee, Murrieta, and Temecula, the company presents an original dance exploration of loneliness in public places and for surveillance cameras. This ever-changing work, called “Never Alone,” will post a schedule of free performances throughout the spring semester on the college website: www.msjc.edu.
May 6 & 7 7:30 PM
