To better serve the professional development needs of the district and in consideration of everyone’s pre-semester busy schedules, The MSJC Academy has a new format!

We’ll be presenting 3 application/invitation three-day institutes and an open registration showcase day.

**Academy Showcase Day – Thursday, January 15, 2015 *OPEN REGISTRATION***

The showcase day will feature a variety of presentations designed to reach and inform the diverse MSJC community. Presentations topics will include:

- Things You Should Know About My Department
- Blackboard Open Studio
- Using Graphics To Enhance Reading Comprehension
- Pathways to Leadership in Education
- Using Excel Beyond the SUM Function
- Faculty Orientation
- Getting to Know Your Academic Senate
- Your Role in Shared Governance
- Educational Shifts in K-12
- MSJC and the Online Education Initiative
- And more…

**Innovation Institutes – Monday, January 12 – Wednesday, January 14, 2015
*REGISTRATION BY APPLICATION/INVITATION***

Each institute will provide participants with in-depth, hands-on, outcome based training. As these institutes run concurrently, you may only participate in one – but you may apply for all of them if you are interested. Institute options include:

- Blended Learning with Blackboard presented by @ONE
- Effective Practices for Online Teaching & Learning presented by MSJC DE Coordinators
- College Teaching and Learning presented by Escala Educational Services

We will be sending more information regarding the institutes as well as the application process in the next few days, so keep any eye out for that email.

Thank you,
