The event will be in May; however, there will be several opportunities for club participation leading up to the actual race. The first opportunity is to vote on a name for the MSJC Relay team. The Eagles is the current name in place, but the clubs are encouraged to weigh in their name ideas as this is for all of the clubs. This event is one we took on heavily last year, and it would be awesome exceed what we accomplished last year. The opportunities for the clubs will start in November, which will be after the Race for the Cure event. The packet given includes much information about the Relay for life, as well as the contact information for Nik Warren who will be keeping track of club activities.
