II. Review and Approval of 04/03/2018 Minutes: □ Motion- Masqueraders  □ Second- STEM
III. **Public Comment**: This time is reserved for members of the public to address the Inter-Club Council on issues not already appearing on the agenda. (*A limit of 1 minute per speaker and 5 minutes per topic shall be enforced.*)

*Rebecca Orlauski*: Does anyone have questions about anything coming up? (questions must have specific detail)

- **STEM**: How are we supposed to get our things for a fundraiser?
- **RO**: Money can never be handed to anyone. Must open an Open PO so that anyone can go and shop when it’s time to shop for a club. Reimbursements cannot be given to club. If someone is giving a donation it must come from the person to the foundation and CANNOT be cash. The only exception is when people bring goods to you but that still must be documented with Rebecca before or when it happens NOT after. Documentation is for the protection of the college and the students in case something is contaminated in any way someone can point back to when and where and who it was received from: primary reason students and staff are encouraged to use the cafe

- **Criminal Justice**: What other than money?
- **RO**: When it’s physical let me know ahead of time. Give a detailed message “we want to go to ____ business and ask for ____ donations.” and I’ll help you out. If you chat with someone and they want to give something to you email me with the person's information and specific details about the donation.
