Teacher Education and Developmental Studies Department

**AS Degree in Child Development and Education CDE (60 Units)**
- Or - **Certificate in Child Development and Education CDE (43 Units)**

**Associate of Science Degree** and **Certificate in Child Development and Education (AS-CDE)** are offered for students who do not currently plan to transfer to a university.

- The degree meets the requirements for the California Child Development Teacher Permit allowing students to work with young children 2–5 years old in early childhood settings.
- The **AS degree** contains the core eight-child development courses focusing on physical, cognitive and psychosocial development from conception to age 8.
- The required course work and supervised fieldwork experience meet state licensing requirements for working in child care and development centers, child care homes, assist in elementary schools and work in service related agencies.
- The skills and knowledge gained in these courses provide the framework and foundation for more advanced coursework for students who are interested in continuing their education.
- In addition to course requirements, several classes require fingerprinting, immunizations, and TB Clearance prior to enrollment. Please see notifications following the course outline.*

### Required CDE Courses (27 Units) | Recommended to take in this order | These courses have prerequisites ++

<table>
<thead>
<tr>
<th>Year One Courses</th>
<th>Year Two Courses</th>
</tr>
</thead>
<tbody>
