San Jacinto, CA 92583

Dear Superintendent/President Schultz:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 7-9, 2015, reviewed the Midterm Report submitted by Mt. San Jacinto College. The Midterm Report was certified by college leadership, including the chair of the governing board, the college president, and leaders of the faculty, and staff organizations.

Based on the evidence in the College Report, the Commission finds that the College has sustained the work accomplished and has maintained compliance with Standards previously identified in the team report and linked to Recommendations 1 through 5.

Institutions are expected to meet Eligibility Requirements and Accreditation Standards at all times during the six-year cycle. It is expected that the changes and improvements noted in the Midterm Report will continue forward in College policies, procedures, practices, and outcomes. This will be verified at the time of the next regularly scheduled visit. Mt. San Jacinto College will submit its Institutional Self Evaluation of Educational Quality and Institutional Effectiveness Report in preparation for the comprehensive review in **March 2018**.

The Midterm Report submitted in Fall 2014 will become part of the accreditation history of the College. The Commission requires that you give the Midterm Report and this letter appropriate dissemination to your College staff and to those who were signatories of your Midterm Report. This group should include the campus leadership and the Board of Trustees.

The Commission also requires that the Midterm Report and this Commission action letter be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires institutions to post accreditation information on a page no more than one click from the institution's home page.*

On behalf of the Commission, I wish to express continuing interest in the institution's educational quality and students' success. Professional self-regulation is the most effective means of assuring institutional integrity, effectiveness, and educational quality.

Sincerely,

A handwritten signature in cursive script that reads "Barbara A. Beno".
