Adult Education

FREE English as a Second Language (ESL), Citizenship (CITZ), & High School Education Classes (GED)

English as a Second Language (ESL)

MSJC provides ESL students with free English classes. Our classes help you develop listening, speaking, reading and writing skills that pertain to life and work in the United States.

General Education Development (GED)

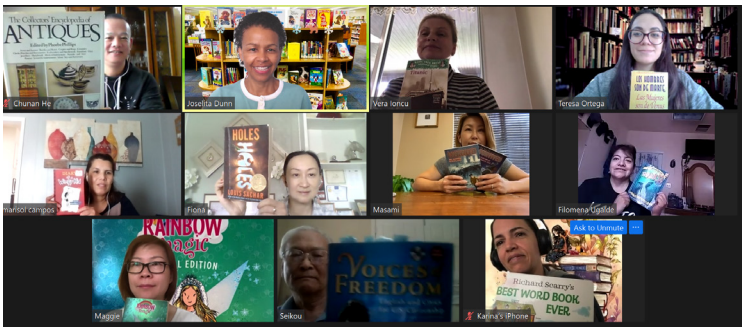

Our GED classes prepare you to take the GED or HISET exam that, when passed, offers a high school equivalence certificate.

Citizenship (CITZ)

Citizenship classes prepare immigrants for the naturalization process and the United States Citizenship and Immigration Services interview. You'll learn U.S. government and history, and practice reading and speaking skills necessary to pass the test.

Counseling Services

Learn more about who you are, what you want, and develop a plan to achieve your goals..

ESL Level Classes

In each level class, you will learn integrated English skills such as listening, speaking, reading, writing, and grammar. Our Beginning / Multi-Level 1 classes focus primarily on conversation while our Advanced classes help students develop their writing skills for work for continuing education. Individual and group projects and presentations will help you further develop and apply your language skills. Each level class administers CASAS reading and listening tests to document your progress in learning English. Level classes

Multi-Level 2		
Multi-Level 1		
Beginning ⇒	Intermediate ⇒	Advanced
In this level, students will learn basic reading, writing, listening and speaking skills for everyday needs. Instruction will emphasize general language construction.	In this level, students will continue to practice reading, writing, listening, and speaking skills. Students will improve conversational skills and learn more about verb tenses.	This level emphasizes development of advanced reading, writing, listening, and speaking skills for work and study.

Each student will be evaluated at the beginning of each semester. If you have any questions, please email us at:

GED

Students will learn writing, reading comprehension, science, social studies, arithmetic, pre-algebra, algebra, and geometry skills required to pass the GED or HiSET test.

Most classes are multi-level and multi-subject.

There is a GED for Beginning and GED for Advanced

The GED Test:

To find information on what is on the test or how the test works, use the following link: https://ged.com/about_test/test_subjects/

Students who are currently taking or have finished our GED classes can take the actual test at home on their computer or in-person at an accredited testing center by using the following link:
https://ged.com/about_test/scheduling/

The HiSET Test:

To find information on what is on the test or how the test works, use the following link: [What's On the HiSET Exam? \(For Test Takers\) \(ets.org\)](#)

Students who are currently taking or have finished our GED classes can take the actual test at home on their computer or in-person at an accredited testing center by using the following link:
[Take the HiST Exam \(For Test Takers\) \(ets.org\)](#)

GED/HiSET Test Vouchers Available!

Vouchers are available to support students with cost of testing based on student need, readiness, and progress per instructors' recommendation.
