

# WHAT'S NEXT?

## Resources that you might consider following up with...

### **Occupational Outlook Handbook**

<http://www.bls.gov/ooh/>

Good website for researching all sorts of occupations and careers. Search by highest paying, fastest growing and most new jobs.

### **O\*Net**

[www.onetonline.org](http://www.onetonline.org)

Great website for researching all sorts of job titles, salaries, and even help you create bullets for your resume. It also has a great skills assessment.

### **Ready Set Career**

<http://readysetcareer.org/>

A good website that has information on local community colleges. Information on careers, trainings and education, financial aid, and specific college information on colleges close to us.

### **What Can I do with a Major In**

<https://www.csusm.edu/careers/index.html>

Click on Career Services tab on the left, then click on What can I do with this major? Then click on the red button that says View All Majors. Research any major and learn about all the jobs you can pursue with that major.

### **Major2Career**

<http://www.cacareercafe.com/major2career/>

California Career Café, sponsored by the Community College Chancellor's Office. Videos, how to take action towards the career you want to pursue, tips on how to be successful in college and in your career.

### **Who Do U Want 2 B?**

<http://whodouwant2b.com/student/pathways>

CA high school and community college courses, 15 career pathway options, and financial assistance.

### **CA Career Zone**

<https://www.cacareerzone.org/>

Career self-assessments, explore different career sectors, and start planning for your future financially.

### **Eureka**

<https://www.eureka.org/>

Self-assessments, read descriptions about careers, explore programs for career preparation, and find colleges to attend. MVC SITE ID: ULWLIF6 SJC SITE ID: WNY3OUX

### **Assist.org**

<http://www.assist.org/web-assist/welcome.html>

Up-to-date information about student transfer courses needed between CA community colleges, and the UC and CSU systems.

### **Indeed**

[www.indeed.com](http://www.indeed.com)

Search for job openings. Learn about different jobs by reading active job postings and see if it is something you would like to do. Research salaries for different positions.

### **Idealist.org**

[www.idealist.org](http://www.idealist.org)

Great site for all things related to the non-profit industry. Search for volunteer, internship and job opportunities. International postings too.

### **Professional Association websites**

Google professional association for an industry and find an organization focusing on current topics and trends in that field. Most associations have a local chapter and you meet people in the field you are interested in.
