Our inspiring faculty members provide the highest level of instruction in a relaxed and safe environment. They come from the best universities in the U.S. and abroad and share a common passion for teaching. Many have received awards in their fields, hold doctorates, are published authors, and have exceptional research and real-world experience. Here is just a sample of some of our outstanding faculty members:

### Julie Satow Freeman

Chair of the Department of Dance, Julie has taught at MSJC for more than 20 years. Performance highlights include dancing at the Japan American Theatre as part of the Olympic Arts Festival, as well as in the full-length opera “Les Noces,” and performing solo work at the Edinburgh Festival Fringe in Scotland. Julie cofounded P.L.A.C.E. Performance, a dance collective that provides supportive, noncompetitive performance opportunities for dance artists in Riverside County.

### Ricardo “Rick” Martinez Jr.

An Administration of Justice associate faculty member, Rick spent his law enforcement career in the California prison system, serving in various positions in institutions such as San Quentin, Deuel and the Sierra Conservation Center. During his career, he earned certifications to become a master rangemaster and Equal Employment Opportunity (EEO) counselor, assisted in writing the State of California’s first lesson plan on cultural diversity, and obtained his private investigator’s license.

### Ron Newman

An assistant professor of Communication Studies on both the Menifee and San Jacinto campuses, Ron is the director of forensics for the district speech and debate team. He also co-advises the Talon newspaper club and helps operate the Communication Studies Center on the San Jacinto Campus. Ron also taught vocational education classes at Yucaipa High School. A product of the community college system, Ron earned his bachelor’s and master’s degrees from Cal State San Bernardino.
Tom Donovan

A philosophy professor, Tom earned his bachelor’s and master’s degrees at Michigan State University, where he earned a varsity letter in track and field. He later earned his doctorate at UC Riverside. He has published two books for Algora Publishing and is writing a series of books for them that aims to make difficult philosophy accessible to a wider audience. His current project focuses on Hungarian philosopher Georg Lukács.

Christina Yamanaka and Erik Ozolins

Serving as the directors of the Honors Enrichment Program on the Menifee Valley and San Jacinto campuses, Christina and Erik also have earned the MSJC Foundation’s Outstanding Faculty Member of the Year honors. A history professor, Christina has received the Phi Theta Kappa honor society’s Hallmark Award for her past service as the Phi Theta Kappa advisor. Chair of the Anthropology Department at MVC, Erik is past president of the Honors Transfer Council of California and serves as research associate at the Western Science Center in Hemet, where he collaborated on a new student internship program.

Shezwaé Powell

Theater Arts Chair on the Menifee Valley Campus, Shezwaé is an award-winning performer with 30 years of experience. She has acted, directed, produced and more. She has played on Broadway and London’s West End, landed TV roles, and toured the U.S. and Europe in theater shows and singing groups. She is also on the board of directors for the Avocado Dance Theater in Temecula.
ADMINISTRATION OF JUSTICE
The Administration of Justice and Corrections program prepares students to earn a certificate, associate degree or associate degree for transfer to a four-year university. The program is designed to prepare students for entry into various careers within the criminal justice field at the federal, state, county or municipal levels. This includes police officer, deputy sheriff, probation/parole officer or corrections officer. Courses include working with the latest equipment and technology: use-of-force and driving simulators, 3D laser crime scene and collision reconstruction scanners, forensics equipment and computerized composite sketching software.

AUTOMOTIVE
The Automotive Technology program at MSJC emphasizes a real-world approach to diagnostic skill building and a thorough understanding of system theory and operations. This is accomplished through the use of computer programs, audiovisual aids, instructor-led demonstration and hands-on experience, such as state-of-the-art simulators, mock-ups and modern vehicles.

BUSINESS ADMINISTRATION
The program offers an associate’s degree, associate’s degree for transfer and certificates, including an employment concentration in project management.

COMPUTER INFORMATION SYSTEMS
CIS offers students a well-equipped technical environment for both instruction and lab. All CIS courses are taught in computer-equipped classrooms, allowing hands-on experience in the use of industry-standard hardware, application software, operating systems, networking and programming tools. In addition to the CIS degree, MSJC offers focused, specialized areas of study in Networking, Internet Authoring, Programming and others.
DIGITAL MEDIA

Digital Media (DIG) students learn hands-on industry-ready skills in video production, visual effects, audio, web design or social media marketing to get started in the expanding digital media field. Students have access to cutting-edge equipment and the courses take place in both classroom and professional live-streaming studio environments. DIG is proud to offer the first non-traditional paid apprenticeship program in the state to qualifying students.

NURSING / HEALTH PROGRAMS

MSJC offers many career options in the health field. Some require one or two semesters to complete, such as Emergency Medical Technician. Others, like Diagnostic Medical Sonography, take four semesters. Within the Nursing and Allied Health program, the career-ladder approach to education enables students to set short- and/or long-term attainable goals. The MSJC School of Nursing continues to rank among the top programs in the state and nation with consistently higher National Council Licensing Exam pass rates than most schools, ranging between 95% and 100%. The job market for Registered Nurses is forecast to grow nationwide, and Nursing graduates of MSJC continue to secure employment within our valley.

PHOTOGRAPHY

The program offers non-transfer certificate and associate degree opportunities that respond to new-media industry standards in the digital paradigm.

WINE INDUSTRY AND HOSPITALITY

The science of making wine, wine hospitality and soil analysis are among the studies available for certificates.

MOBILE CAREER CENTER

The MSJC Mobile Career Center (MCC) is equipped with state-of-the-art technology that allows Mt. San Jacinto College to provide career and employment outreach services to all of our Riverside County communities. It provides workforce training, job search and employment soft skills preparation, and résumé writing. It can be found at schools, business expos, career and college fairs, parades, veterans’ events and more.
ART

Students who intend to transfer to a four-year university can earn associate degrees in Art History, Studio Arts and Visual Communication (Graphic Design). Students who wish to earn an Associate of Arts for personal enrichment, employment or any other reason can earn a degree in Art and an employment certificate in Graphic Design.

COMMUNICATION STUDIES

The program offers lower division preparation for students who plan to transfer to pursue a bachelor’s degree in Communication Studies. This major will prepare students for further studies in international relations, intercultural studies, rhetoric, public relations, advertising, journalism, corporate communications, mass media and a variety of other disciplines.

HUMANITIES

This non-transfer interdisciplinary degree offers a range of coursework to prepare students who want to explore the arts, ideas, values and cultural expressions of the world’s peoples as a foundation for lifelong learning or as an introduction to the related fields of Humanities, Interdisciplinary Studies, Art History, Music Appreciation, Theater Arts, Philosophy, English Literature, Modern and Classical Languages, or Religious Studies.

MATHEMATICS

The Associate Degree for Transfer consists of a clear sequence of courses that prepares students for transfer into the major. The study of mathematics concerns the nature and manipulation of known and unknown quantities. The MSJC mathematics transfer degree is designed to provide students with an appreciation of the nature, scope and power of mathematics, as well as an understanding of how mathematics is applied to business, engineering, science and daily life.

MUSIC AND PERFORMING ARTS

The music program prepares students to earn associate degrees or transfer to four-year universities. Students can study the craft of recording in one of our state-of-the-art recording studios, study the art of playing an instrument, take vocal lessons, focus on music theory and much more. College performance groups include the Menifee Jazz Ensemble, MSJC Concert Band, Orchestra, MSJC Big Band, choral groups, and musical theater ensembles that perform on campus and at community events. Career opportunities include Accompanist, Choir or Band Director, Vocalist, Composer, Performer and more.

SOCIAL / BEHAVIORAL SCIENCES

This non-transfer interdisciplinary degree offers a range of coursework to prepare students who want to explore the social and behavioral sciences as a foundation of lifelong learning, or as an introduction to related fields.

ONLINE

MSJC’s Distance Education offers a variety of online courses to fulfill general education and/or transfer pattern requirements. There are also online courses for Career Training. Students can learn on their schedule and earn career certificates or degrees through high-quality online courses.

The MSJC Athletic Department features 11 intercollegiate sports teams: six women’s teams and five men’s. In women’s athletics, the Eagles participate in tennis, golf, volleyball, softball, basketball and soccer. The men’s sports offerings include football, basketball, baseball, tennis and golf.

Among the MSJC alumni in the professional sports arena is former Super Bowl champion Alvin Walton. MSJC athletes continue to matriculate at a rapid rate as former Eagles are spread out across the country with a combined total of over $1 million in scholarships. On the fields and courts, the Eagles have also had tremendous success with playoff appearances, conference championships and the 2018 state championship in women’s basketball.

MSJC provides an unrivaled Student Athlete Support Program that helps student athletes reach their full potential personally and academically. Services include a Student Athlete Study Center, Scholars Program, Tutoring and Progress Reports. Athletes can also benefit from the Summer Bridge Program and the Annual Athletic Forum. The department takes great pride in the academic and athletic accomplishments of MSJC’s student athletes and provides an environment that helps them succeed.

The MSJC Lady Eagles basketball team won the 2018 state championship.
MSJC offers students enriching opportunities that go beyond the typical two-year college experience. Student Life is bustling with nearly 30 clubs and a host of activities each month, including student BBQs, Homecoming events and more. MSJC’s Student Government Association (SGA) represents student interests and rights by stimulating student awareness of important issues and involvement in academic, cultural, social and community activities. Students can participate in the Honors Enrichment Program or MSJC’s own five-star chapter of Phi Theta Kappa, the international honors society.

The leadership classes, Puente Project, Umoja Community and A2MEND programs prepare students to continue their education and recognize their achievements. The MSJC Foundation provides support through scholarships and annually holds a Scholarship Breakfast to award deserving students with funding.
The Associate Degree for Transfer (A.A.-T or A.S.-T) or ADT guarantees students will meet the California State University system minimum eligibility requirements. Students earning an ADT will be admitted to a CSU (not necessarily to a particular campus or major). You may be granted a bump in your GPA when applying to an impacted campus outside your local area or an impacted major that is deemed similar. Once at the CSU, if you are admitted and enrolled in a designated similar degree program, you have the ability to complete your bachelor’s degree with as little as 60 semester units or 90 quarter units of coursework. A counselor will help you determine which CSUs offer bachelor’s degrees that correspond to your ADT degree. It is still important for you to apply to the schools that interest you and follow admissions deadlines to be considered. Meet with a counselor to develop an education plan that puts you on the path toward the ADT degree.

SUCCESS! PATHWAYS
The goal of SUCCESS! Pathways is the coordination of services for students to have a truer sense of confidence in a specific discipline in order to achieve clear career goals. Through innovative teaching, redesign and overlapping support, SUCCESS! Pathways empowers a community to work together to provide equitable services to close achievement gaps and have all students discover their potential and realize their dreams!

THE 2+2 BUSINESS PATHWAY
The 2+2 Business Pathway is an exciting opportunity for Business majors. This partnership between MSJC and California State University San Marcos at Temecula allows students to graduate with both an associate degree and a bachelor’s degree in Business Administration in four years, guaranteed to all those admitted to the program. Admitted students will have guaranteed seats in all required courses and guaranteed admission to CSUSM at Temecula after successfully completing their general education and business core courses at MSJC.

MSJC TRANSFERS MORE THAN 1,000 STUDENTS A YEAR TO UC, CSU AND PRIVATE UNIVERSITIES
MSJC is proud of its history of students who achieved some of the top honors in higher education: Jack Kent Cooke Scholarships, Gates Millennium Scholars, Coca-Cola Academic Team Scholars and more.
Mt. San Jacinto College offers comprehensive services that include online admissions, registration, online orientations, free email accounts and many other convenient applications through the college’s website, www.msjc.edu

The VRCs provide student veterans and eligible dependents of deceased or disabled veterans with counselors who specialize in GI Bill benefits and educational counseling, and can help veterans connect with the resources for success and a smooth transition into college life. MSJC’s Veterans Resource Centers offer services that include a full-time dedicated school certifying official, and free veteran-to-veteran tutoring and peer mentoring and free computer use. 951.487.3247 or 951.639.5237

FOOD 4 THOUGHT
MSJC Food 4 Thought Pop-Up Pantry was formed in 2017 to help fight student hunger. MSJC partners with Feeding America to offer students a food distribution at least once a month at no cost. Look for more information regarding these events on the website and the events calendar. Contact the Food 4 Thought taskforce at food4Thought@msjc.edu
COUNSELING

The Counseling Department promotes student success by providing quality, professional counseling services. The counseling team responds to students’ individual needs through academic, career, transfer, personal and crisis counseling. The first term is a critical time for new students, and the counselors at MSJC are ready to help you launch a successful beginning, starting with the New Student Counseling Session.

THE NEW STUDENT COUNSELING SESSION

For first-time college students, counselors will work with students to develop education plans that will help them understand the courses needed to meet the requirements of their individual program of study and achieve their educational goals. Each plan is tailored to a student's individual needs for success.

To ensure students are on track, all students are required to possess a comprehensive education plan once they reach 15 degree-applicable units or have attended MSJC for two terms. Once a comprehensive plan has been developed, students are encouraged to communicate with a counselor periodically to confirm that their educational path is still on track.

Counselors at MSJC are here to assist you by developing an educational plan that will help you meet your educational goals.

MSJC counselors CAN HELP:

• New Students
• Continuing/Returning Students
• Military Veterans
• Incoming Transfer Students
• High School Students
• Prospective Students
• International Students
