Congratulations, MSJC Class of 2021!

Congratulations, Eagles!

You're part of a record-breaking class of more than 2,000 graduates in the Class of 2021.

Your academic journey has been the most unique in the nearly 60-year history of Mt. San Jacinto College due to the COVID-19 pandemic.

Some of you began your education in person at one or more of our vibrant campuses. Some of you have taken classes fully or mostly online during your time with us.

Whether in person, online or both, you've earned your degree and/or certificate facing ever-changing challenges that have been new to all of us. Overcoming those challenges and still achieving your academic goal is no small feat. You should feel extremely proud of yourselves.

As you move forward in your education, career and – above all – life, know with confidence that you're more than capable of confronting and overcoming such unpredictable challenges.

This year's graduation theme is apropos: "Today's Resiliency is Tomorrow's Hope."

By definition, a resilient person is able to recover quickly from difficult conditions. You've done just that by crossing the finish line at MSJC

during this defining moment in our lives.

COVID-19 disrupted and has changed our world, but we will all grow stronger as a result.

We are honored that you entrusted MSJC faculty and staff to further your education and help you earn a degree or certificate, transfer to another institution of higher learning, or boost your skill-sets to succeed in your career. We're truly proud of your achievements.

Our mission at MSJC is simple: We're here to help you succeed academically – whether in person or online. We want to empower you with the knowledge and skills to improve your lives and make our world a better place.

No matter what path you choose, I encourage you to continue to seek out new challenges and educational opportunities throughout your lifetime.

We're proud to call you MSJC Eagles. Congratulations, Class of 2021!

Roger W. Schultz, Ph.D.
Superintendent/President

A MESSAGE FROM FACULTY, STAFF AND STUDENT LEADERSHIP

There are so few things that can change a life as much as education, but choosing the path of education is never easy or smooth. Today, graduates, we celebrate you not just for all of your accomplishments and successes, but for your determination, your hope, your perseverance in the face of challenges, your vision, and your unwavering commitment to bettering yourself and those around you through education. We know that the choices you have made, the sacrifices that have been required, the time, and all of the effort you have put in has not been easy but today we hope you can feel the enormous pride that comes with all you have achieved—the enormous pride that we all feel in you. As you look back on your time at MSJC, we hope you find fond memories, meaningful relationships, and wondrous knowledge. We know that as you continue on your path, you will continue to make us proud with all that you will achieve. We are honored to be a part of your story, and you will forever be a part of ours as you go forward, an MSJC graduate. Congratulations!

Ryan D. Sullivan
President, Academic Senate

In life you are granted many new beginnings such as birthdays, new year celebrations, first days of school, and graduations. On these special days you get to start again, you get to be inspired again, and feel the electricity of hope again. You get to feel the nervous butterflies of possibilities in your stomach, and the embers of purpose are stoked and rekindled. You are refueled, revived, recouped, and ready for the good work that awaits you. You get to leverage your experience and apply the lessons learned to the new challenges that will test you. These are poignant times, yet there is subtle poetry in pain, reflection, and growth that you can use to be proactive participants in the writing of your next chapter. You are shaping your reality, you are artists of your life, you stand here as proof that you are molding it into something wonderful. Share your stories of perseverance, failure, and success, these are powerful narratives that will inspire others. You are all beautiful reflections of our theme of resilience because you have achieved success in unprecedented times. Hone your leadership, empower one another, and be generous. It truly takes a village to create a successful life and you are forever part of the MSJC Eagles village. Today we celebrate you! Unite, encourage and support each other in your efforts as you continue your mission of hope and opportunity.

If you want to go fast go alone. If you want to go far go together.

– African Proverb

Rony Armas
President, Classified Senate

Congratulations Class of 2021! We did it!

Today, we celebrate and honor your academic achievement and success here at Mt. San Jacinto College. As the Student Body President of the Student Government Association (SGA), it has been one of the greatest honors to have served you in a year where life is continuing to make surprises in our lives today. MSJC is a place where we have sought out to chase our dreams and aspire to become better people, parents, siblings, friends, and students.

The past 12 months have been unlike anything we have ever seen before. We've preserved through a virtual learning environment and focused on our educational goals even in the midst of a pandemic. Our educational journey does not end here. Take the COVID-19 pandemic as an opportunity to be innovative and seek avant-garde solutions. To Class of 2021: I challenge you to take every opportunity in life and use it to enjoy it, not endure it. Do more than just exist and make every moment count. Be simply you and change the world! Our lives aren't measured in years, they are measured in the people we touch and surround ourselves with. As you continue on in life and face new adventures and challenges, I wish you the best of luck in your future endeavors.

My time here at Mt. San Jacinto College will always be cherished and I am inspired by your continued resilience and determination for a better tomorrow. Once an Eagle, always an Eagle.

As the empowering Harriet Tubman once said,

"We out!"

GRADUATING CLASS OF 2021

TODAY'S RESILIENCE IS TOMORROW'S HOPE

★ – 4.0 G.P.A.

◆ – With Distinction 3.5 - 4.0 G.P.A.

Ⓜ – Honors Enrichment Program

Φ – ΦΘK Phi Theta Kappa Member

The listing of a student's name in this commencement program indicates presumptive evidence of graduation but should not be considered conclusive evidence of graduation. Final award of degrees, certificates and honors will be confirmed once the final grades from the Spring 2021 semester have been submitted and assessed.

Please Note: Some students have requested that honors not be designated by their name. Therefore, the absence of honors listed in the program does not necessarily mean the student will not receive honors. Honors as listed do not include grades earned during the Spring 2021 term. Final honors designations will be given once the final grades for Spring 2021 have been calculated.

TRADITION

The formal academic regalia seen at Mt. San Jacinto College comes from hundreds of years of tradition, some standardization determined by American Colleges and Universities and some modifications just for this college.

Gowns and hoods date back to the clothing styles in the monasteries of the early European Middle Ages when monks who ran the schools provided their students with garments like their own, to keep warm in drafty buildings. The style was carried over into secular schools and continued until association was made with education rather than religion. In fact, because the garb was practical, it continued until the early 1800's to be worn daily to class by university faculty and students.

Mortarboards, commonly called "caps," have an even more practical origin than robes and hoods. According to tradition, John Calvin, a 16th century religious reformer, designed the special headgear as protection against pigeons that roosted in the rafters of the buildings where he taught.

Today, academic clothing is worn only for scholarly ceremonies such as commencements and dedications. The hood today is only an accessory and has no practical use.

In the 1890's, American higher education institutions formed a committee to standardize styles and colors to represent individual colleges, study disciplines, and degrees. These standards continue to present day, with minor modifications from college to college.

At Mt. San Jacinto College, the graduating class wears black robes and mortarboards. Certificate recipients wear a red and RN program graduates wear white. There are neither hoods nor color trim for the holders of Associate (two-year) degrees. A gold tassel without a Phi Theta Kappa key signifies the wearer has a grade point average of 3.5 to 4.0 (A- to A). Graduates with a 4.0 grade point average also receive a bronze medal, and are entitled to wear a gold sash around their shoulders. 4.0 graduates walk at the head of the student processional. Students who have completed the Honors Enrichment Program wear a purple and grey Honors Cord. The colors of the Honors Cord symbolize enlightenment and wisdom. The gold tassel with the Phi Theta Kappa key indicates membership in Phi Theta Kappa, a national honor society. Those who wear the tassel with the key have maintained a grade point average of 3.25 or higher. In addition to the special key, members are also entitled to wear a gold stole around their shoulders. All other tassels are a mix of red, black, and white – the college colors.

The graduates wear their tassels on the right side of the mortarboard as they enter the stage area, and move the tassel to the left side at the conclusion of the ceremony. This is repeated upon award of the Bachelor's degree. After that, the tassel is always worn on the left.

Faculty, staff and administrator regalia colors also have special significance. The width of the colored trim on the gowns, length of hood, and sleeve designs are all different at each degree level. For example, the trim on the Bachelor's robe is one inch wide, Master's robe trim is three inches, and Doctoral robe trim is five inches wide. Doctoral robes also have three velvet stripes on each sleeve.

Regalia colors have special significance. The color of the silk lining of the hood tells the college that awarded the degree. Nearly one hundred fifty (150) different institutions are represented by faculty and administration this evening. Color of the trim represents the discipline:

CELEBRATING DIVERSITY

We value the ability to serve students from a broad range of cultural heritages, identities, socioeconomic backgrounds, life experiences, genders, abilities and orientations.

In this year's ceremony, we incorporated a land acknowledgement and the Black National Anthem, "Lift Every Voice and Sing." It is our goal to create community and belonging by centering and celebrating the diverse voices of our students, to eradicate structural and systemic racism.

Our land acknowledgement both recognizes and respects Indigenous Peoples as traditional stewards of this land and the enduring relationship that exist between Indigenous Peoples and their traditional territories.

The Black National Anthem, "Lift Every Voice and Sing," acknowledges the oppression, struggles, and racism faced by Black and African-Americans and honors their resilience and perseverance for a better tomorrow.

At our drive-thru celebration, you will notice various balloon assortments representing our diverse student populations. While this is not totally inclusive of all the students we serve, these are some groups that have chosen to use representative colors.

Burgundy	Students with Disabilities
Black and Brown	Students of Color
Dark Yellow and Blue	Puente
