Congratulations, MSJC Class of 2022!

CONGRATULATIONS, MSJC CLASS OF 2022!

Eagles, you are among a unique group of graduates earning more than 3,070 degrees and certificates we are proudly awarding to the Class of 2022.

Many of you have only attended MSJC online due to the COVID-19 pandemic. Some of you took online classes for the very first time. Others have attended both in person and online.

You should all be very proud of yourselves for overcoming these unexpected challenges while earning your degrees or certificates at MSJC.

Our graduation theme this year is "Eagles: Unstoppable Today, Tomorrow, and Always."

These past couple of years represent a defining moment in your lives and you have learned many lessons along the way. Whatever challenges confront you as you move forward, I encourage you to continue to face them, solve them, overcome them, learn from them. The pandemic changed our world, but we all grew stronger as a result. We are unstoppable.

We are honored that you entrusted MSJC faculty and staff to further your education to help you earn a degree or certificate, transfer to another institution of higher learning, or boost your skill-sets to succeed in your career.

I hope you also enjoyed your college experience outside of class at MSJC, whether by joining our student government or one of our many other student clubs, playing on a team, or participating in countless activities and events online and occasionally in person.

Our mission at MSJC is simple: We're here to help you succeed. We want to empower you with the knowledge and skills to improve your lives and make our world a better place.

No matter what path you choose, I encourage you to continue to seek out new challenges and educational opportunities throughout your lifetime. We are richer as a society when we build upon our education and embrace our roles as lifelong learners.

Your accomplishments at MSJC will change your lives forever. You should be very proud of yourselves, Eagles.

Remember, you're "Unstoppable Today, Tomorrow, and Always." Congratulations!

Roger W. Schultz, Ph.D.
Superintendent/President

A MESSAGE FROM FACULTY, STAFF AND STUDENT LEADERSHIP

On behalf of the faculty of Mt. San Jacinto College, we congratulate and applaud YOU and your family on this special milestone! We are inspired with your perseverance and resilience you have demonstrated through these difficult and unprecedented times. As we celebrate with you, remember all those that assisted and lifted you along the way to get here today and lift others along the way.

Today is the start of new beginnings, a time to set new goals, dream big, and go with enthusiasm. Don't forget to look back and be grateful for all the experiences, and lessons learned. You are ready and the world awaits your greatness.

¡Adelante, Si Se Puede!

Leticia Luna-Sims
President, Academic Senate

Congratulations, Class of 2022, you have demonstrated a superhuman level of commitment, tenacity, discipline, and passion.

As we slowly emerge from these heavy two years with squinted eyes, it is incumbent upon us, and especially you, as our future leaders, to carry the lessons so brilliantly learned while at MSJC.

Be the innovators, be the dreamers, be the artists, the poets, the activists, the engineers, and scientists, be everything that your dream compels you to be. The journey is not over; this is just one of many milestones. In the years to come, you will be challenged, and you must become adept at meeting disappointment with audacious optimism. Remember to look back upon this academic success as a reminder of what you can accomplish. Use your newly honed gifts of critical thinking to question and solve, shout and dissent. Be the action that others cannot yet be.

Education is more than becoming job-ready; it is also about expanding our perceptions, becoming aware of humanity beyond our four walls, and thus aware of our limitless potential!

Thank you for being shining examples of what we are capable of and reminding us why we do this work. Continue to aspire and inspire.

Rony Armas
President, Classified Senate

Congratulations Class of 2022 Eagles!

I am in awe of your sheer determination and commitment leading up to this momentous occasion as a Mt. San Jacinto Community College graduate. Now it's time to bask in the result of your hard work and success. As we slowly emerge from a time of great uncertainty, I commend you for the courage diving into the unknown. The barriers of the past couple years didn't suppress you, but instead showed to us all from the professors, advisors, counselors, faculty, staff, and peers that you've risen above the challenges.

I delightfully stand with you as your Student Government Association President and a fellow graduate. At one point, we all began our journey as an MSJC Eagle. We flocked to this nest for the purpose of developing in our academic and personal growth. As this graduating class steps into the next chapter, remember it takes courage to be where you are right now.

In your next flight, remember to take great strides to spread your wings and bravely soar to the highest of heights. With the relentless drive to achieve your academic goals, you have the potential to conquer all kinds of adversities and push beyond the boundaries. With these experiences you are bound to achieve greatness in your future endeavors.

What an amazing year it has been! I thank God for giving me this humbling and privileged opportunity to represent you. This role has taught me that spirit and devotion comes in all shapes and sizes. Go on and prosper in everything that you aspire to be!

◆ – With Distinction 3.5 - 4.0 G.P.A.

Ⓜ – Honors Enrichment Program

Φ – ΦΘK Phi Theta Kappa Member

The listing of a student's name in this commencement program indicates presumptive evidence of graduation but should not be considered conclusive evidence of graduation. Final award of degrees, certificates and honors will be confirmed once the final grades from the Spring 2022 semester have been submitted and assessed.

Please Note: Some students have requested that honors not be designated by their name. Therefore, the absence of honors listed in the program does not necessarily mean the student will not receive honors. Honors as listed do not include grades earned during the Spring 2022 term. Final honors designations will be given once the final grades for Spring 2022 have been calculated.

TRADITION

The formal academic regalia seen at Mt. San Jacinto College comes from hundreds of years of tradition, some standardization determined by American Colleges and Universities and some modifications just for this college.

Gowns and hoods date back to the clothing styles in the monasteries of the early European Middle Ages when monks who ran the schools provided their students with garments like their own, to keep warm in drafty buildings. The style was carried over into secular schools and continued until association was made with education rather than religion. In fact, because the garb was practical, it continued until the early 1800's to be worn daily to class by university faculty and students.

Mortarboards, commonly called "caps," have an even more practical origin than robes and hoods. According to tradition, John Calvin, a 16th century religious reformer, designed the special headgear as protection against pigeons that roosted in the rafters of the buildings where he taught.

Today, academic clothing is worn only for scholarly ceremonies such as commencements and dedications. The hood today is only an accessory and has no practical use.

In the 1890's, American higher education institutions formed a committee to standardize styles and colors to represent individual colleges, study disciplines, and degrees. These standards continue to present day, with minor modifications from college to college.

At Mt. San Jacinto College, the graduating class wears black robes and mortarboards. Certificate recipients wear a red and RN program graduates wear white. There are neither hoods nor color trim for the holders of Associate (two-year) degrees. A gold tassel without a Phi Theta Kappa key signifies the wearer has a grade point average of 3.5 to 4.0 (A- to A). Graduates with a 4.0 grade point average also receive a bronze medal, and are entitled to wear a gold sash around their shoulders. 4.0 graduates walk at the head of the student processional. Students who have completed the Honors Enrichment Program wear a purple and grey Honors Cord. The colors of the Honors Cord symbolize enlightenment and wisdom. The gold tassel with the Phi Theta Kappa key indicates membership in Phi Theta Kappa, a national honor society. Those who wear the tassel with the key have maintained a grade point average of 3.25 or higher. In addition to the special key, members are also entitled to wear a gold stole around their shoulders. All other tassels are a mix of red, black, and white – the college colors.

The graduates wear their tassels on the right side of the mortarboard as they enter the stage area, and move the tassel to the left side at the conclusion of the ceremony. This is repeated upon award of the Bachelor's degree. After that, the tassel is always worn on the left.

Faculty, staff and administrator regalia colors also have special significance. The width of the colored trim on the gowns, length of hood, and sleeve designs are all different at each degree level. For example, the trim on the Bachelor's robe is one inch wide, Master's robe trim is three inches, and Doctoral robe trim is five inches wide. Doctoral robes also have three velvet stripes on each sleeve.

Regalia colors have special significance. The color of the silk lining of the hood tells the college that awarded the degree. Nearly one hundred fifty (150) different institutions are represented by faculty and administration this evening. Color of the trim represents the discipline:

OUR COMMITMENT TO DIVERSITY, EQUITY AND INCLUSION

We are honored to serve students from a broad range of cultural heritages, identities, socioeconomic backgrounds, life experiences, genders, abilities, and orientations, and value the contributions therein.

During this year's ceremony, we are pleased to include an indigenous land acknowledgement statement and singing of the Black National Anthem, "Lift Every Voice." It is our privilege to recognize and regard Indigenous Peoples as traditional stewards of this land and the enduring relationship that exist between Indigenous Peoples and their traditional territories. Secondly, we highlight the Black National Anthem as part of our continued commitment to affirm and center the voices of our African American and Black leaders, professionals, and students.

At MSJC it is our hope that these actions contribute to and uphold the work we have endeavored toward creating equity and dismantling systemic racism for our students and within our community.

To read more about MSJC's commitment to supporting the diversity of its students and communities, please see the MSJC Equity Pledge and Call to Action at www.msjc.edu/equitypledge.
