PRESIDENT'S MESSAGE MSJC GRADUATION 2023

It is an honor to be the first to congratulate the Mt. San Jacinto College graduating class of 2023. On behalf of everyone at MSJC we are proud of each of you for your incredible achievement. Together: we dream, we learn, we transform.

Graduating from college is a major accomplishment. I applaud you for working hard and committing yourself to your education. You have proven that with hard work, determination, and a willingness to learn, anything is possible.

As you move forward from this day, I encourage you to take what you have learned at MSJC and use it to make a difference in the world. Whether you go on to further your education or enter the workforce, remember that you have the power to create positive change.

During your time at MSJC, you have gained not only knowledge and skills, but also a community of peers and mentors who have supported you on your journey. Cherish these relationships and continue to seek out opportunities to learn from others throughout your life.

MSJC faculty, classified professionals, and administrators take incredible pride in ensuring students receive quality education, creating equitable opportunity,

and supporting every student in achieving their highest potential. Our goal is to see you succeed.

To the Class of 2023, you are among a distinct group of 2,601 graduates earning degrees and certificates.

You are curious, smart, creative, innovative, and engaged. Some of you will continue your education at universities across the state and nation, while others will join the workforce. Many of you will remain in the area, beginning careers, raising families, thereby contributing to our local economy.

No matter what path you take after leaving MSJC, be certain that your degree or certificate is foundational to your success.

I am confident that each of you has a bright future ahead, and I cannot wait to see all that you will accomplish in the years to come.

On behalf of the MSJC faculty, classified professionals, administrators, and the Board of Trustees...congratulations to the Class of 2023!

Roger W. Schultz, Ph.D.
Superintendent/President

A MESSAGE FROM FACULTY, STAFF AND STUDENT LEADERSHIP

Congratulations! You made it to the finish, or should I say your next checkpoint. Today is not the end of your journey: it is a brief pause, because each of you has so much more to accomplish and celebrate. Take this moment and revel in your glory, take pride in the challenges you have faced and overcome, and thank those that have supported you through it all. Most of all, remember it was you that put in the work, the late nights, the stress, and at times, the doubt. Remember today, the feeling you have right now, and take that with you toward the next checkpoint in your journey. We, the faculty of Mt. San Jacinto College, believe in you and know you will continue to achieve the highest honors in everything you set out to accomplish. You have inspired us, and we are so proud to watch and support you in all your future accomplishments.

Nick Zappia
President, Academic Senate

Congratulations! It is no easy task to grab life by the horns and declare your goals and dreams, but you all have done the most challenging part, which is beginning. Through your hard work, discipline, and patient perseverance, you have become living manifestations of hope. You are leaders taking on the unknown of tomorrow with the strength earned from many yesterdays. You have created an everlasting relationship with knowledge; stay curious, explore the gamut of the human experience, and share those lessons; use your voice and let it echo throughout! Take care of each other, empower each other, and become proud stewards of each other's success. I leave you with a beautiful quote on service by George Bernard Shaw, *"I am of the opinion that my life belongs to the whole community, and as long as I live it is my privilege to do for it whatever I can."*

Rony Armas
President, Classified Senate

Class of 2023: We've done it!

Congratulations Eagles, we've finally crossed the finish line! It has been an honor and privilege to serve as your Student Government Association (SGA) president and witness all the achievements our graduating class has been able to achieve. Despite any barriers, roadblocks, or obstacles that presented themselves throughout our higher education journey, we have broken through them and made it to graduation today. This milestone remains a sign of resilience forever to cherish and a source of pride for our communities. Representing you all has been an extraordinary experience, and I look forward to seeing all the great things we'll continue to achieve!

The listing of a student's name in this commencement program indicates presumptive evidence of graduation but should not be considered conclusive evidence of graduation. Final award of degrees, certificates and honors will be confirmed once the final grades from the Spring 2023 semester have been submitted and assessed.

Please Note: Some students have requested that honors not be designated by their name. Therefore, the absence of honors listed in the program does not necessarily mean the student will not receive honors. Honors as listed do not include grades earned during the Spring 2023 term. Final honors designations will be given once the final grades for Spring 2023 have been calculated.

TRADITION

The formal academic regalia seen at Mt. San Jacinto College comes from hundreds of years of tradition, some standardization determined by American Colleges and Universities and some modifications just for this college.

Gowns and hoods date back to the clothing styles in the monasteries of the early European Middle Ages when monks who ran the schools provided their students with garments like their own, to keep warm in drafty buildings. The style was carried over into secular schools and continued until association was made with education rather than religion. In fact, because the garb was practical, it continued until the early 1800's to be worn daily to class by university faculty and students.

Mortarboards, commonly called "caps," have an even more practical origin than robes and hoods. According to tradition, John Calvin, a 16th century religious reformer, designed the special headgear as protection against pigeons that roosted in the rafters of the buildings where he taught.

Today, academic clothing is worn only for scholarly ceremonies such as commencements and dedications. The hood today is only an accessory and has no practical use.

In the 1890's, American higher education institutions formed a committee to standardize styles and colors to represent individual colleges, study disciplines, and degrees. These standards continue to present day, with minor modifications from college to college.

At Mt. San Jacinto College, the graduating class wears black robes and mortarboards. However, certificate recipients wear red and RN program graduates wear white. There are neither hoods nor color trim for the holders of Associate (two-year) degrees. A gold tassel without a Phi Theta Kappa key signifies the wearer has a grade point average (GPA) of 3.5 to 4.0. Graduates with a 4.0 GPA also receive a bronze medal to wear. 4.0 GPA graduates walk at the head of the student procession. Students who have completed the Honors Enrichment Program wear a purple and grey honors cord, symbolizing enlightenment and wisdom. The gold tassel with the Phi Theta Kappa key indicates membership in Phi Theta Kappa, an international honor society. Those who wear the tassel with the key have maintained a grade point average of 3.25 or higher. In addition to the special key, Phi Theta Kappa members are also entitled to wear a gold stole. All other tassels are a mix of red, black, and white – the college colors.

Graduates wear their tassel on the right side of the mortarboard as they enter and move the tassel to the left side at the conclusion of the ceremony. This is repeated upon award of the Bachelor's degree. After that, the tassel is always worn on the left.

Faculty, staff and administrator regalia colors also have special significance. The width of the colored trim on the gowns, length of hood, and sleeve designs are all different at each degree level. For example, the trim on the Bachelor's robe is one inch wide, a Master's robe trim is three inches, and a Doctoral robe trim is five inches wide. Doctoral robes also have three velvet stripes on each sleeve.

Regalia colors have special significance. The color of the silk lining of the hood tells the college that awarded the degree. Nearly one hundred fifty (150) different institutions are represented by MSJC's faculty and administration. The color of the trim represents the discipline:

OUR COMMITMENT TO DIVERSITY, EQUITY, INCLUSION, AND ACCESS

We are honored to serve students from a broad range of cultural heritages, identities, socioeconomic backgrounds, life experiences, genders, abilities, and orientations, and value the contributions therein. MSJC affirms and celebrates the full diversity of its students and strives to include programs, services, and other opportunities where the multiplicity of our student body is represented and reflected.

We are pleased to include an indigenous land acknowledgement statement and singing of the Black National Anthem, “Lift Every Voice and Sing” as part of our ceremonies. It is our privilege to recognize and regard Indigenous Peoples as traditional stewards of this land and the enduring relationship that exist between Indigenous Peoples and their traditional territories. Secondly, we highlight “Lift Every Voice and Sing” as part of our continued commitment to attest and center the voices of our African American and Black leaders, professionals, and students.

At MSJC it is our hope that these actions contribute to and uphold the work we’ve endeavored toward creating equity and deconstructing systemic racism for our students and within our community.
