TURNING OF THE TASSEL

*Bernardo Britto
Class of 2020*

CLOSING REMARKS

*Roger W. Schultz, Ph.D.
Superintendent/President*

Congratulations, MSJC Class of 2020!

You are among a distinct group of graduates earning the more than 3,476 degrees and certificates we are proudly awarding to the Class of 2020.

I know it hasn't been easy, particularly over the past few months as we faced new challenges with the arrival of COVID-19.

While this specific challenge has been extreme, obstacles will present themselves along the way no matter what journey you take.

Many of you took online classes for the first time as a result of the changes we made as a college to help reduce the spread of the coronavirus and you successfully conquered that new obstacle.

Our graduation theme this year is "MSJC Eagles Rise." Now is the time to show everyone that Eagles do rise. This is a defining moment in our lives. Whatever challenges confront you, face them, solve them, overcome them, learn from them. COVID-19 changed our world, but we will all grow stronger as a result.

We are honored that you entrusted MSJC faculty and staff to further your education to help you earn a degree or certificate, transfer to another institution of higher

learning, or boost your skill-sets to succeed in your career.

I hope you also enjoyed your college experience outside of class at MSJC, whether by joining our student government or one of our many student clubs, playing on a team, or participating in countless activities and events.

Our mission at MSJC is simple: We're here to help you succeed. We want to empower you with the knowledge and skills to improve your lives and make our world a better place.

No matter what path you choose, I encourage you to continue to seek out new challenges and educational opportunities throughout your lifetime. We are richer as a society when we build upon our education and embrace our roles as lifelong learners.

Your accomplishment at MSJC will change your lives forever. That rings true in this year's Commencement theme: "MSJC Eagles Rise: Transforming the Future."

Roger W. Schultz, Ph.D.
Superintendent/President

A MESSAGE FROM FACULTY, STAFF AND STUDENT LEADERSHIP

Graduates:

You have navigated perhaps one of the most unusual and challenging semesters in nearly everyone's memory, yet I know that many of you have worked tirelessly despite many obstacles to make it here. In fact, we know that nothing can hold you back when you have your goal in view, and you have proven this to be true. You inspire us every day with your hope, determination, resilience, problem solving, and critical thinking. By being here today for this ceremony of graduation, you have shown that all these qualities and skills that you bring to your life you have also brought to your classrooms and virtual learning environments. We, the faculty of Mt. San Jacinto College, support you and believe in you as you take your next steps and venture closer to your next goals. You are living proof that opportunity leads to achievement. You have always known that you are a capable, unique, and intelligent student, and you have listened to that voice inside saying that you are capable of great things. Now, you have awakened into the graduate that you are today. Join together now during this special moment and celebrate your achievement—it is your time to continue to show the world what you are capable of. We will always be here watching, listening, and supporting. Congratulations!

Ted Blake
President, Academic Senate

Congratulations 2020 Graduates!

On behalf of the Classified Professionals here at Mt. San Jacinto College- YOU DID IT! You finished your last semester despite the tough and uncertain times! Now and during the course of your journey, you have demonstrated great resolve and resiliency, both of which will serve you well moving forward. Your education is the most important tool that can change your life. Embrace this new chapter with passion and aim for the stars. This is only the beginning of so many exciting opportunities in store for you. Congratulations on all your future endeavors Class of 2020.

Dawn Bridge & Kaye Melsheimer
Co-Presidents, Classified Senate

Class of 2020!

Congratulations on your academic achievement!

As a graduating member, I have seen firsthand the amount of dedication and hard work we have put into our education to accomplish such a significant milestone. We earned this, and we deserve this. While constantly facing challenges, especially during this last semester, we continued to learn how to succeed. Even though we all have different goals in mind, there is one shared factor between all of us: perseverance.

I have no doubt that we will be able to use the traits we have developed here and continue to thrive from here forward. While we look ahead toward our future paths, we should also take great pride in this journey we have taken.

It has been an honor and a privilege to serve as your Student Government Association President, one that I will never forget and hold dearest to my heart. Thank you for allowing me to represent you!

GRADUATING CLASS OF 2020

EAGLES RISE: TRANSFORMING THE FUTURE

★ – 4.0 G.P.A.

◆ – With Distinction 3.5 - 4.0 G.P.A.

Ⓜ – Honors Enrichment Program

Φ – ΦΘK Phi Theta Kappa Member

The listing of a student's name in this commencement program indicates presumptive evidence of graduation, but should not be considered conclusive evidence of graduation. Final award of degrees, certificates and honors will be confirmed once the final grades from the Spring 2020 semester have been submitted and assessed.

Please Note: Some students have requested that honors not be designated by their name. Therefore, the absence of honors listed in the program does not necessarily mean the student will not receive honors. Honors as listed do not include grades earned during the Spring 2020 term. Final honors designations will be given once the final grades for Spring 2020 have been calculated.

TRADITION

The formal academic regalia seen at Mt. San Jacinto College comes from hundreds of years of tradition, some standardization determined by American Colleges and Universities and some modifications just for this college.

Gowns and hoods date back to the clothing styles in the monasteries of the early European Middle Ages when monks who ran the schools provided their students with garments like their own, to keep warm in drafty buildings. The style was carried over into secular schools and continued until association was made with education rather than religion. In fact, because the garb was practical, it continued until the early 1800's to be worn daily to class by university faculty and students.

Mortarboards, commonly called "caps," have an even more practical origin than robes and hoods. According to tradition, John Calvin, a 16th century religious reformer, designed the special headgear as protection against pigeons that roosted in the rafters of the buildings where he taught.

Today, academic clothing is worn only for scholarly ceremonies such as commencements and dedications. The hood today is only an accessory and has no practical use.

In the 1890's, American higher education institutions formed a committee to standardize styles and colors to represent individual colleges, study disciplines, and degrees. These standards continue to present day, with minor modifications from college to college.

At Mt. San Jacinto College, the graduating class wears black robes and mortarboards. Certificate recipients wear a red and RN program graduates wear white. There are neither hoods nor color trim for the holders of Associate (two-year) degrees. A gold tassel without a Phi Theta Kappa key signifies the wearer has a grade point average of 3.5 to 4.0 (A- to A). Graduates with a 4.0 grade point average also receive a bronze medal, and are entitled to wear a gold sash around their shoulders. 4.0 graduates walk at the head of the student processional. Students who have completed the Honors Enrichment Program wear a purple and grey Honors Cord. The colors of the Honors Cord symbolize enlightenment and wisdom. The gold tassel with the Phi Theta Kappa key indicates membership in Phi Theta Kappa, a national honor society. Those who wear the tassel with the key have maintained a grade point average of 3.25 or higher. In addition to the special key, members are also entitled to wear a gold stole around their shoulders. All other tassels are a mix of red, black, and white – the college colors.

The graduates wear their tassels on the right side of the mortarboard as they enter the stage area, and move the tassel to the left side at the conclusion of the ceremony. This is repeated upon award of the Bachelor's degree. After that, the tassel is always worn on the left.

Faculty, staff and administrator regalia colors also have special significance. The width of the colored trim on the gowns, length of hood, and sleeve designs are all different at each degree level. For example, the trim on the Bachelor's robe is one inch wide, Master's robe trim is three inches, and Doctoral robe trim is five inches wide. Doctoral robes also have three velvet stripes on each sleeve.

Regalia colors have special significance. The color of the silk lining of the hood tells the college that awarded the degree. Nearly one hundred fifty (150) different institutions are represented by faculty and administration this evening. Color of the trim represents the discipline:

Architecture	Blue Violet
Business Administration	Drab
