This program will provide an overview and entry level training for the Veterinary Assistant profession. You will learn:

- How to assist the Veterinarian or the Veterinarian Technician in their daily tasks.
- Proper handling and procedures for examination of pets for signs of illness, disease, or injury through practical training.
- Legal, ethical and professional standards as well as nutrition basics for animal care.
- Hygiene and sterilization techniques used for laboratory and surgical equipment as well as maintenance and management of a veterinary setting.
- And more!

75 classroom hours  
25-hours online learning  
40-hour externship

Fee: $1,300.00
