GEOGRAPHIC INFORMATION SCIENCE

Learn ArcGIS Pro!

ONLINE

Spring 2022

Introduction to GIS

GEOG 115 – 4223, 3 Units

January 18th - May 18th
(18 Weeks)

Intermediate GIS

GEOG 520 – 3201, 3 Units

January 18th - March 11th
(8 Weeks)

Advanced GIS

GEOG 525– 3628, 3 Units

March 18th – May 18th
(8 Weeks)

Introduction to GIS is a required course for a Certificate and AS degree in GIS at Mt. San Jacinto College and an elective for AA degree in Geography for transfer to CSU/UC - some institutions require Introduction to GIS completion prior to transfer.

Each student will receive a one-year student version of Esri's ArcGIS software with extensions and free virtual campus courses
