Introduction to GIS

GEOG 115 – 4223, 3 Units

Learn ArcGIS Pro!

Intermediate GIS

GEOG 520 – 3201, 3 Units

Instructor:

Emina Sulych, GISP

esulych@msjc.edu

760-799-4886

<https://www.msjc.edu/gis>

Introduction to GIS is a required course for a Certificate and AS degree in GIS at Mt. San Jacinto College and an elective for AA degree in Geography for transfer to CSU/UC - some institutions require Introduction to GIS completion prior to transfer.

Each student will receive a one-year student version of Esri's ArcPro software with extensions and free web courses
