Mt. San Jacinto College (MSJC) acknowledge that it signed and returned to the Department the Certification and Agreement and the assurance that the institution has used the applicable amount of funds designated under the CRRSAA and ARP (a)(1) and (a)(4) programs to provide Emergency Financial Aid Grants to Students.

Any student enrolled at MSJC on or after March 13 2020, the declared date of the pandemic, is eligible to apply for emergency aid. Students with the greatest financial need are given priority; however, students do not need to be eligible for federal financial aid to qualify. Any student, regardless of citizenship, income, and enrollment status, including undocumented and international students, may complete and submit an application. Students who submit an application and demonstrate a COVID-19 related need will be eligible for monies. Award amounts vary based on student needs with a maximum award of \$3000.

Instructions, directions, and guidance provided by MSJC to students concerning the Emergency Financial Aid Grants can be found on our [website](#). MSJC has also hosted series of workshops to promote financial aid resources, encourage students to apply, and provide direct assistance in completing applications. Workshops and availability of HEERF Student Emergency Aid funds were communicated via Public Marketing and direct email to students via Communication Management in Colleague.
