

# IMPORTANT VOLUNTARY LIFE ENROLLMENT OPPORTUNITY

The District offers benefit-eligible employees the opportunity to enroll in the **Madison National Life Voluntary Life plan** when you first become eligible. Premiums for this coverage are paid through **payroll deduction**.

It's important to note that there is a **31-day enrollment window** from your initial eligibility date. If you enroll within this timeframe, you are eligible to receive the **guaranteed issue amount of coverage** without needing to provide proof of good health (Evidence of Insurability).

Employees may also enroll during the District's **annual Open Enrollment period**, but **Evidence of Insurability will be required** if you are outside your initial eligibility window.

Attached to this notice is an overview of the benefits provided through Madison National Life. Please review it carefully and take action within the 31-day timeframe if you wish to enroll.

If you have any questions, feel free to contact the Benefits Office.
