

FA23 Enrollment Update

10.12.2023

Headcount and Section Count

The demographic data in this report is compiled from CCCCO for "Students", HR for "Staff", and Lightcast Analyst for "Service Area." *Categories for "Service Area" do not align perfectly with CCCCO categories. African American, Native American, and Pacific Islander correspond to Black, American Indian, and Native Hawaiian or Pacific Islander respectively. Filipino, and Unknown are not listed as options in the Lightcast data set.
