Work Experience

Sign up for a special project or internship opportunity. Gain work experience and earn credits.

Scheduling Notes

Please note that some AUD courses are Fall or Spring classes only.

Many AUD courses teach programs found in the Pro Tools suite. AUD students have access to a dedicated tutor center to support success in the program.

Helpful Hints

Not familiar with computers? Consider taking an intro to computing class before entering an AUD course.

AUD is committed to staying on the front edge of technology and software trends to give you the training you need to work in the current industry
