

## *Teacher Education and Development Studies*

### *Early Intervention and Inclusion: Associate in Science – Non-Transfer*

For many college students, working in a career where individuals can make a positive impact on children’s development is an academic and professional goal. The Teacher Education and Developmental Studies (TEDS) Department is committed to being a leader and partner in preparing our community of diverse learners to become competent, caring, and reflective educators and professionals who will advocate for and empower children and families in the 21st century.

**Please see a Pathways Counselor:** Create an education plan customized to meet your needs. [Contact a Counselor](#)
