

Audio Production: Associate in Arts - Non-Transfer

Looking to break into the recording industry? Want to produce better audio for yourself and clients? In the Audio Technology program, we recognize that the need for quality audio design is essential for any content creator in the field today. We focus on current industry trends in hardware and software to equip you with the tools and certification you need to become a next-generation producer.

Please see a Pathways Counselor: Create an education plan customized to meet your needs. [Contact a Counselor](#)

Work Experience

Sign up for a special project or internship opportunity. Gain [work experience](#) and earn credits.

Scheduling Notes

Please note that some AUD courses are Fall or Spring classes only.

Many AUD courses teach programs found in the Pro Tools suite. AUD students have access to a dedicated tutor center to support success in the program.

Helpful Hints

Not familiar with computers? Consider taking an intro to computing class before entering an AUD course.

AUD is part of the Creative Media Department and is committed to staying on the front edge of technology and software trends to give you the training you need to work in the current industry.
