PROGRAM DESCRIPTION

The Audio & Video Technology program features a radio station, television station, three recording studios and a Pro Tools lab. This program offers students a hands-on and theoretical approach to audio technologies, video technologies, television production and broadcast, and radio production and broadcast. Students will become familiar with equipment, devices and software used in television, radio, film, recording studios, and educational institutions. The Audio & Video Technology Program offers an A.S. -T degree in Film, Television and Electronic Media, an A.A. degree in Audio Technology, and certificate in Audio Technology. Earning the A.S.-T degree guarantees placement in a CSU offering a Bachelor's of Science in Film, Television and Electronic Media. Avid-issued, Pro Tools certification is also available. Most audio classes are cross-listed under Music.

TRANSFER PREPARATION

Film, Television and Electronic Media for Transfer

MSJC offers a range of course work to prepare students to transfer to four-year colleges and universities. All four-year institutions prescribe their own standards for course evaluation and admissions. Prospective transfer students are advised to research careers, degrees and majors in the Career/Transfer Center, access www.assist.org, review the MSJC catalog and meet with a counselor to expedite their transfer plan.

Audio Technology

MSJC offers a range of course work to prepare students to transfer to four-year colleges and universities. Courses that fulfill major requirements for an associate degree in this program might not be the same as those required for transfer into the major at a four-year university. All four-year institutions prescribe their own standards for course evaluation and admissions. Prospective transfer students are advised to research careers, degrees and majors in the Career/Transfer Center, access www. assist.org, review the MSJC catalog and meet with a counselor to expedite their transfer plan.

LEARNING OUTCOMES

- Operate audio and video components.
- Apply the theories of audio and video.
- Apply critical thinking skills in audio and video applications.
- Prepare to enter the work force in the audio and video area.

DEGREES

Transfer Degree

Film, Television and Electronic Media

An A.S.-T in Film, Television and Electronic Media for Transfer will fulfill the requirements for students to transfer to a CSU institution as a Film, Television and Electronic Media major. The courses in the A.S.-T in Film, Television and Electronic Media for Transfer provide students with an ability to solve quantitative problems and think critically in regards to major concepts in video and audio theories, including television broadcasting, radio broadcasting, studio recording, video camera technology and application, microphone technology and application, pre and post production applications, communications, and principles in acting for film and television.

The major requirements for an A.S.-T in Film, Television and Electronic Media for Transfer to a CSU may be met by:

- Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University.
- The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth Requirements.
- A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- Obtainment of a minimum grade point average of 2.0.

ADT also requires that students must earn a C or better in all courses required for the major or area of emphasis. A "P" (Pass) grade is acceptable if pass is defined as a grade of C or better.
