Program Description
The Business Department offers an Associate in Science in Business Administration for Transfer degree. The Business Administration curriculum is designed for students who are interested in an encompassing formal business education. The A.S.-T in Business Administration for Transfer degree will assure preparation and readiness for transfer to the CSU system.

The Business Department also offers a non-transfer Associate degree in Business Administration structured around a set of core courses enabling students to develop a general business perspective and skills. The program offers students the knowledge and skills necessary to understand the changing global and domestic business environment and to prepare students for success in their professional careers.

The non-transfer Accounting Certificate is designed to prepare students for entry-level positions in accounting in public and private sector areas in industry such as small business, public accounting, financial service, wholesale trades, government and nonprofit. The student will have an understanding of fundamental accounting and business concepts and gain valuable skills needed in the evolving and competitive job market. Entry-level opportunities include but not limited to positions in accounts receivable/payable, general bookkeeping and accounting, payroll, income tax preparation, cost accounting, and a number of trainee/internship positions. This certificate also provides a path to higher level education. The Accounting Certificate requires the completion of 24-27 units of which 18 are in required courses. Additional 6-9 units must be chosen from a list of selective courses. The certificate will take at least one to two years to complete.

The non-transfer Certificate in Business Administration provides a broader theoretical overview and approach to the business world. The Business Department is committed to providing a broad and flexible professional education. Recognizing the importance of Accounting, Business Law, Economics, Finance, and Marketing in the business community; these areas provide students with learning opportunities relevant to everyday business and consumer decisions.

Transfer students may earn an Associate degree in Liberal Arts with an area of emphasis that includes Business and Technology. This degree path is designed to accommodate the differing requirements for a wide variety of transfer institutions and provides an efficient means to achieve transfer goals and career success.

For individuals currently working within these listed fields, there may be potential for salary and/or career advancement.

TRANSFER PREPARATION

A.S.-T in Business Administration for Transfer
MSJC offers a range of course work to prepare students to transfer to four-year colleges and universities. All four-year institutions prescribe their own standards for course evaluation, major preparation, and admissions. Prospective transfer students are advised to research careers, degrees, universities and majors in the Career/Transfer Center, access www.assist.org, review the MSJC catalog and meet with a counselor to expedite their transfer plan.

Accounting and Business Administration
(Non-Transfer)
MSJC offers a range of course work to prepare students to transfer to four-year colleges and universities. Courses that fulfill major requirements for an associate degree in this program might not be the same as those required for transfer into the major at a four-year university. All four-year institutions prescribe their own standards for course evaluation and admissions. Prospective transfer students are advised to research careers, degrees and majors in the Career/Transfer Center, access www.assist.org, review the MSJC catalog and meet with a counselor to expedite their transfer plan.

LEARNING OUTCOMES

• Communicate effectively through appropriate modes of communication (listening, speaking, reading, writing) as they pertain to the business environment with emphasis on the use of computer technology.
• Analyze data to determine relevant information needed to produce reports, visual presentations, and other business documents.
• Identify and solve business problems, assess results, and determine alternative courses of action.

DEGREES

Transfer A.S.-T Degree

Business Administration
An Associate in Science degree in Business Administration for Transfer will fulfill the requirements for students to transfer to a four-year college or university as a Business Administration major. The major required for an A.S.-T in Business Administration for Transfer may be met by:
• Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University.
• The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth Requirements.
• A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
• Obtention of a minimum grade point average of 2.0.
ADT also requires that students must earn a C or better in all courses required for the major or area of emphasis. A “P” (Pass) grade is acceptable if pass is defined as a grade of C or better.
