Certificate in Water Technology 22131 CT.WT

Employment Concentration Certificate(s)
None

Program Description
Water Technology is a career oriented non-transfer vocational program offering courses leading to a certificate and/or an Associate degree. The Water Technology program at MSJC emphasizes a real world approach to diagnostic skill building and a thorough understanding of system theory and operations. Professionalism, workplace skills and responsibilities are stressed along with safety and an awareness of hazardous materials control. Graduates are primarily employed by cities, counties, federal agencies and industry that operate and maintain water treatment, water distribution, wastewater collection and/or wastewater treatment systems. They may also find employment in support roles such as equipment sales. For individuals currently working within these fields, there may be potential for salary and/or career advancement.

Career Opportunities
All career opportunities listed are representative careers in each field. There are no guaranteed positions for students completing these programs. (See: www.onetonline.org)

Our courses can directly prepare our students to take the following certification tests: Water Distribution Water Operator certification (Grades 1-5), Water Treatment Plant Operator (Grades 1-5), and Wastewater Treatment Plant Operator (Grades 1-5). The tests are administered by the state independent of our classes.

Non-Transfer Degree
Water Distribution Operator, Water Treatment Operator, Wastewater Treatment Operator, Mechanics, Customer Service Representative, Utility Personnel, Conservation Technician, Meter Readers

Certificate
Water Distribution Operator, Water Treatment Operator, Wastewater Treatment Operator, Mechanics, Customer Service Representative, Utility Personnel, Conservation Technician, Meter Readers

Transfer Preparation
MSJC offers a range of course work to prepare students to transfer to four-year colleges and universities. Courses that fulfill major requirements for an associate degree in this program might not be the same as those required for transfer into the major at a four-year university. All four-year institutions prescribe their own standards for course evaluation and admissions. Prospective transfer students are advised to research careers, degrees and majors in the Career/Transfer Center, access www.assist.org, review the MSJC catalog and meet with a counselor to expedite their transfer plan.

Learning Outcomes
- Follow safe practices in the laboratory and in plant operations.
- Apply chemical, microbiological and mechanical knowledge and skills to maintain proper plant operations.
- Apply math and hydraulics skills in proper water and wastewater plant, collection system and distribution system operations.
- Understand regulations and operate plant accordingly.
- Interact effectively in oral and written communication.
- Use computers in water and wastewater plant operation.
- Demonstrate work ethic and model professional interaction with the public.

Degree
Non-Transfer Degree
Water Technology
In addition to the 18 units of the certificate program in Water Technology, students must also complete all MSJC General Education Option A requirements (a total of 60 units) for the Associate of Science degree in Water Technology.

Note: Every effort has been made to keep program information current. Please use this information as a guide and consult with the chair of the department/program or an MSJC counselor.
Certificate
Certificate in Water Technology (18 units)

Required Core Courses (3 units)
- WATR-090 Basic Waterworks Mathematics 2 units
- WATR-100 Introduction to Water/Wastewater Operations 1 unit

Elective Courses (any 15 units)
- WATR-103 Water Treatment Plant Operations I & II 3 units
- WATR-105 Water Treatment Plant Operations III, IV & V 3 units
- WATR-107 Water Distribution I & II 3 units
- WATR-109 Water Distribution III, IV & V 3 units
- WATR-120 Wastewater Treatment Plant Operations I & II 3 units
- WATR-122 Wastewater Plant Operations III, IV & V 3 units
- WATR-125 Test Procedures for Water and Wastewater 3 units
- WATR-130 Environmental Laws and Regulations 3 units
- WATR-140 Wells, Pumps and Motors 3 units
### Mt. San Jacinto College

#### Undergraduate certificate in Water Technology
#### Program Length: 36 weeks

| Program graduates are employed in the following fields: Water and Wastewater Treatment Plant and System Operators: [http://onetonline.org/link/summary/51-8031.00](http://onetonline.org/link/summary/51-8031.00)  

### Licensure Requirements

The following do not have licensure requirements for this profession: California

### Additional Information:

No additional notes provided.

Date Created: 5/16/2019

The disclosures are required by the U.S. Department of Education.

---

Footnotes:

1. The share of students who completed the program within 100% of normal time (36 weeks).
2. The share of students who borrowed Federal, private, and/or institutional loans to help pay for college.
3. The median debt of borrowers who completed the program. This debt includes Federal, private, and institutional loans.
4. The median monthly loan payment for students who completed the program if it were repaid over ten years at an N/A* interest rate.
5. The median earnings of program graduates who received Federal aid.
6. Some States require students to graduate from a state approved program in order to obtain a license to practice a profession in those States.
7. State Job Placement Rate:  
   *Name of the state the placement rate is calculated for: N/A*  
   Follow the link below to find out who is included in the calculation of this rate: N/A*  
   What types of jobs were these students placed in? N/A*  
   When were the former students employed? N/A*  
   How were completers tracked? N/A*  

8. Accreditor Job Placement Rate:  
   *Name of the accrediting agency this placement rate is calculated for: N/A*  
   Follow the link below to find out who is included in the calculation of this rate: N/A*  
   What types of jobs were these students placed in? N/A*  
   When were the former students employed? N/A*  
   How were completers tracked? N/A*
