# MSJC 50% Law Performance

# Failure to Comply with 50% Law

Failure to comply may result in deduction from apportionments made to the district an amount equal to the amount by which the district failed to comply. (5 CCR §59214)

# AB 1725 & 75/25 Goal

- Signed into law by Governor Dukmejan in 1988
- Codified into law "longstanding policy of the board of governors that at least 75 percent of the hours of credit instruction in the California Community Colleges, as a system, should be taught by full-time instructors." (EDC §87482.6(a))
- Required districts to apply program improvement allocations to hiring full-time faculty to meet 75% of credit hours goal.
- Enabled board of governors to adopt regulations for effective administration of achieving this goal.

# Faculty Obligation Number (FON)

- Board of Governors adopted 5 CCR §§51025; 53301; 53302; 53308-53312; 53314 to administer attainment of 75% goal.
- If Board of Governors has determined adequate funding exists, a district's base full-time FON is increased by the percent change in funded credit FTES.
- If a District fails to meet FON in a year when Board of Governors determines adequate funding exists, the maximum penalty is "the Chancellor shall reduce the district's revenue for the current fiscal year by an amount equal to the average replacement cost for the prior fiscal year times the deficiency in the number or percentage equivalent of full-time faculty." (5 CCR §51025(e))
  - \$86,771 is the statewide average replacement cost for 2021-22.
