## A MESSAGE FROM THE

# COLLEGE SUPERINTENDENT/PRESIDENT

The students who graduated in May of 2022 spent most of their educational journey at Mt. San Jacinto College on Zoom because of the COVID-19 pandemic years. That didn't stop them from achieving their goals. And it didn't stop our dedicated faculty, classified professionals, supervisors and administrators from making extraordinary efforts to help our students succeed.

Simply put, this group is **unstoppable**. This became the theme for the Class of 2022, Eagles: Unstoppable Today, Tomorrow and Always. The numbers tell us about our students' tenacity as MSJC broke yet another commencement record with more students graduating in May 2022 with more degrees and certificates than ever before in our long history.

You'll learn about those numbers and the real stories behind the successes experienced in the 2021-2022 academic year in this annual report.

As the pandemic gradually subsided over the past year, we safely reopened our campuses, eagerly welcoming our students back for in-person classes, events and support services. However, we also maintained a healthy online presence for those students who weren't quite ready to return in person after the pandemic. Listening to our students and serving them in a modality that best fit their lives paid off. Despite the low-enrollment trends at other colleges across the state, MSJC was a stand-out with increased enrollments. We will share more about that in future communications.

Whether we deliver classes online, in-person or in a hybrid format, MSJC will continue to offer quality classes and services.

In this report, you'll read about other accomplishments we shared with our communities in 2021-22. We held grand openings and groundbreaking at the San Jacinto and Menifee Valley Campuses. We welcomed the first students to our Temecula Valley Campus. We entered into an agreement with Beaumont Unified School District to create a middle college high school at our San Geronimo Pass Campus.

We continued to make progress in Diversity, Equity, Inclusion and Access initiatives to ensure we work to dismantle systemic racism and reduce opportunity gaps for our African American and Black students and other marginalized populations at MSJC. We also take pride in the many programs and events hosted by MSJC students, faculty and staff that celebrate the diversity of our students and offer enrichment to our communities.

I want to close this message by looking to the future, but to do that, I have to go back to the past. In March 1962, the very first MSJC Board of Trustees held their initial meeting. To honor that historic occasion, our Board of Trustees celebrated 60 years at the March 2022 board meeting.

We owe much thanks to those early visionaries. They were the leaders who opened doors to students in the fall of 1963. So, as we enter 2023, you'll be hearing more about MSJC's 60th anniversary that will kick off in the fall.

We will have much to celebrate during this anniversary. We will have more grand openings, among them the new stadium at the Kinesiology and Athletics Complex at the Menifee Valley Campus and our new state-of-the-art Science, Technology, Engineering, and Mathematics (STEM) building at the San Jacinto Campus. We will have more celebrations highlighting the diversity of our students and the communities we serve. You will hear more from our MSJC Foundation and learn about the ways we can support and advocate for our students.

Your support, partnerships and ongoing generosity will help us uphold our vision of transforming learners, transforming communities, and transforming lives.

Thank you for your support,  
**Dr. Roger Schultz, Ph.D.**

Sixty years ago, the first Board of Trustees met to establish their vision for higher education in our region. I believe they would be proud to see how their dream has manifested into reality today. We owe them much gratitude for their vision and dedication.

# ABOUT MSJC

The Mt. San Jacinto Community College District was formed in 1960 by a vote of the citizens in Banning, Beaumont, Hemet and San Jacinto. The first students attended MSJC in Fall 1963. The San Jacinto Campus opened on former farmland in 1965. The Temecula, Lake Elsinore, Perris and adjacent areas voted in 1975 to join the district, increasing the college's area to the present 1,700 square miles. MSJC serves students on four sites in Menifee, San Jacinto, Temecula and the San Geronimo Pass.

## MSJC Celebrates 60th Birthday of its Board of Trustees

The first Mt. San Jacinto Community College District Board of Trustees held an inaugural College Board meeting on March 14, 1962, at Security Bank in Hemet. The meeting was called to order by Dr. Leonard Grindstaff, who was the Riverside County Superintendent of Schools.

**A MESSAGE FROM THE****MSJC FOUNDATION DIRECTOR**

The MSJC Foundation continues to help MSJC students overcome financial obstacles to ensure they stay on the path to academic success.

The past academic year continued to provide challenges to raising funds due to the pandemic, but the Foundation proved itself unstoppable by continuing to support students through scholarships, emergency funding, Help-A-Student grants, Cares Act funding, and Finish Line scholarships. We also assisted programs and events such as the MSJC Art Gallery's Art Talk series.

We hosted two golf tournaments, including the return of our Golf Classic, to raise funding for the Foundation. We appreciate our event sponsors and the golfers who supported the tournaments.

The Foundation also welcomed new board members who are excited to forge ahead with new ideas and opportunities to support MSJC students.

FOUNDATION CALL TO DONORS

## PLEASE HELP US SUPPORT OUR STUDENTS

At Mt. San Jacinto College, our vision is clear, we're here: Transforming Learners. Transforming Communities. Transforming Lives.

The MSJC Foundation is helping students who otherwise would not be able to cross the finish line to their degrees and certificates. Support for those students depends on our donors.

**We need your help.**

**The Foundation offers multiple funds that go a long way toward helping our students succeed.**

**MSJC PLEDGE FOR SUCCESS:** A basic-needs initiative that removes some of the barriers to student success inside and outside of the classroom by providing students emergency funding, food, books and supplies, clothing, and basic, essential hygienic items.

**MSJC GENERAL SCHOLARSHIP FUND:** Money donated is awarded annually by the Foundation Scholarship Committee to the many deserving students who attend Mt. San Jacinto College.

**MSJC PRESIDENT'S CLUB:** The President's Club raises unrestricted funds for the college's areas of greatest need. Members are guests at special events throughout the year.

Please help the MSJC Foundation transform the lives of the countless MSJC students who will, in turn, transform our communities. We can't succeed without you.

Please visit [msjc.edu/Foundation](https://msjc.edu/Foundation) today.

We genuinely appreciate your generosity.

Sincerely,

Rebecca Orlauski  
Director of Foundation and Donor Initiatives

## MSJC FOUNDATION HELPS HOLIDAY DREAMS COME TRUE

The MSJC Foundation in December helped Santa grant the Christmas wishes of 134 children by providing presents to 53 families of in-need MSJC students. The Foundation received donations of gifts and funding from MSJC faculty and staff, the Soboba Foundation, Mexico Cafe of Temecula, It's Peachy, and many generous donors. Without the donations, many students wouldn't have been able to give their children the presents they wanted most for the holiday season.

## FOUNDATION HOSTS MULTIPLE EVENTS TO RAISE FUNDS

The MSJC Foundation hosted its Golf Classic in April at Journey at Pechanga in Temecula and the Tacos & Tequila golf tournament in May in Menifee.

In addition, the Foundation sponsored College Night at the Diamond in June at the Lake Elsinore Storm Stadium to help raise funds for MSJC students.
