The following changes, additions, deletions or corrections shall become a part of the Contract Documents for the project named above and all other conditions shall remain the same. The bidders shall be responsible for transmitting this information to all affected subcontractors and suppliers prior to the closing of bids. Prospective Bidders shall acknowledge receipt of this Addendum in the space provided on the Bid Form. Failure to do so may subject Bidder to disqualification.

The following are responses to questions received from various contractors.

Item No. AD-1-1:

Q. The RFP states that the bid is due on January 19th, however I recall January 9th being mentioned twice. I'm sure that I may have misheard but can you confirm that the bid is due on the 19th and not the 9th?

R. The bid due date is on January 19, 2022 at or before 2:00PM.

Item No. AD-1-2:

Q. I've attached a screenshot that indicates borders for the scope of work. I wanted to make sure that the map looks accurate and if any areas should be included/excluded.

R. The aerial photo below of the San Jacinto Campus indicates the borders included in the scope of work.
