

# Teacher Education and Developmental Studies Department

## California Preschool Foundations & Framework Certificate (15 units)

Coursework for this certificate introduces the California Preschool Learning Foundations and Curriculum Framework.

- Courses are applicable to required or professional development units for Child Development Permit holders, preschool, transitional kindergarten, and early-primary teachers.
- Courses provide practical strategies for implementing the curriculum framework based on California Preschool Foundation and its alignment with K-12 Common Core Standards.
- In addition to course requirements, several classes require fingerprinting, immunizations, and TB Clearance prior to enrollment. Please see notifications following the course outline\*
