VISUAL COMMUNICATIONS

The intensive curriculum is industry-specific and focuses on building students' practical, hands-on skills as well as the critical and creative thinking skills necessary for launching a career in their area of interest.

“We’re thrilled to offer a bachelor’s program for transfer students that allows them to both specialize in their area of interest and earn a bachelor’s degree in two years.”

Barbara Bundy
Vice President, Education

WHY FIDM?

By transferring to FIDM, students have the opportunity to make a direct leap into their specialized area of focus.

FIDM’s unique industry connections in all areas of the Fashion, Entertainment, Interior Design, and Media industries provide students with one-of-a-kind networking, mentoring, and classroom partner project opportunities with Southern California’s top brands and executives.

The program is high-impact with the immediate application of specific hands-on, practical skills relevant to a student’s core concentration.

The capstone project for this program focuses on research specific to a student’s chosen area of study.

This bachelor’s degree program can be completed in two years, and students graduate with a job-ready portfolio featuring their best work.

DEGREES OFFERED IN THIS PROGRAM

BACHELOR OF ARTS (B.A.) IN CREATIVE INDUSTRY STUDIES

The Creative Industry Studies Bachelor of Arts (B.A.) Program is open to transfer ready students with an A.A. or at least 45 semester units of transferable academic credit.

WHAT COMES NEXT?
