## PROGRAM DESCRIPTION

The Psychology program at MSJC is designed to develop skills and knowledge consistent with the study of psychology in a multicultural, global context. Successful students will master the writing, reading and research skills required for psychology inquiry and provide the necessary background to be successful in the major at the university level.

## CAREER OPPORTUNITIES

### Transfer Degree

For BA/BS careers, please see your transfer institution.

## TRANSFER PREPARATION

MSJC offers a range of course work to prepare students to transfer to four-year colleges and universities. Courses that fulfill major requirements for an associate degree in this program might not be the same as those required for transfer into the major at a four year university. All four-year institutions prescribe their own standards for course evaluation and admissions. Prospective transfer students are advised to research careers, degrees and majors in the Career/Transfer Center, access [www.assist.org](http://www.assist.org), review the MSJC catalog and meet with a counselor to expedite their transfer plan.

## LEARNING OUTCOMES

- Apply the various psychological theories and concepts, including personality theory, consciousness, learning theory, and others, to our own personal and professional lives.
- Develop a tolerance, acceptance, and appreciation of the diversity of others' thoughts, backgrounds, and self-concepts.
- Explore various topics and concepts within psychology, and integrate these into a whole concept of individuals and groups.
- Apply the learning outcome goals provided by the American Psychological Association.

## DEGREE

The Associate in Arts in Psychology for Transfer degree is designed to fulfill the undergraduate requirements for students planning to major or minor in psychology or transfer to the CSU system. The patterns of courses offered for the degree are designed to prepare students to study, understand and to think critically about behavior and mental processes of humans and other organisms under a scientific paradigm. The areas of study encompasses consciousness, cognition, motivation and emotion, human development, the psychobiological foundations of behavior, the nature of psychological disorders, and the

## Instructional Programs

application of psychological principles to promote the quality of people's lives founded on sound psychological models and research.

The major requirements for an A.A.-T in Psychology for Transfer to CSU may be met by:

- Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University.
- The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth Requirements.
- A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- Obtainment of a minimum grade point average of 2.0.

### A.A.-T in Psychology for Transfer (19-21 units)

#### Required Core (10 units)

MATH-140	Introduction to Statistics	4 units
PSYC-101	Introduction to Psychology	3 units

or		
CDE-110H	Honors Child Development	3 units

<b>Units for Major</b>	<b>19-21</b>
<b>CSU General Education or IGETC Pattern</b>	<b>37-39</b>
<b>Possible double counting</b>	<b>16</b>
<b>Transferable Electives (as needed to reach 60 CSU transferable units)</b>	
<b>Total Units for A.A.-T Degree</b>	<b>60 units</b>

This Associate in Arts in Psychology for Transfer degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. A student completing this degree is guaranteed admission to the CSU system, but not a particular campus or major. Students should meet with a counselor to develop an educational plan and receive university admission and transfer requirements.
