

FEBRUARY 2017

February days are a marketing gimmick; love happens every day.

Department Highlight

Disabled Students Programs & Services (DSPS)

MSJC has 2 DSPS offices, one on the Menifee Valley Campus and one on the San Jacinto Campus. The department's goal is to assist students with disabilities in a variety of areas such as facilitating test taking, assessing learning disabilities, alternate media services, and many more. DSPS is on campus for YOU and will make every possible attempt to resolve and assist all eligible students.

If you are in need of services or if you are unsure if services are needed, please reach out to any DSPS office, ASAP.

The Navy's Hidden Figure

From "BlackDoctor.org"

Retired engineer, Raye Montague, single-handedly changed the way U.S. Navy ships are made and used. Montague is credited with the rough draft of the first U.S. Naval ship design using a computer (FFG-7 Class: 1971) which revolutionized naval ship design. She became the first female Program Manager of Ships in the United States Navy.

Montague was also the first female professional engineer to receive the Society of Manufacturing Engineers Achievement Award (1978) and the National Computer Graphics Association Award for the Advancement of Computer Graphics (1988).

Leonard Roy Harmon, posthumous recipient of the Navy Cross and first person of African-American descent after whom a Navy ship was named, was born on January 21, 1917, in Cuero, Texas. He was killed while shielding a wounded shipmate from gunfire with his own body. For "extraordinary heroism," he was posthumously awarded the Navy Cross. On May 21, 1943, Secretary of the Navy Frank Knox announced that a warship would be named in Harmon's honor. The USS Harmon, a destroyer escort, was launched on July 25, 1943. [READ MORE](#)

"Proudly serving those who served us."

or even on campus. The EVDO is all about selfless service to our fellow veterans and their dependents.

We need you! Please contact David Osteen, club president, at MSJCEVDO@gmail.com or stop by the VRC to sign up.

The EVDO Motto is "United in Pursuit of their Academic Goal!"

The EVDO is a club where veterans and dependents can transition from military lifestyle back to civilian/school lifestyle, but still have the brotherhood of service. No one knows a vet better than a vet. We are also about giving back to the community through volunteering, either outside of school
